SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is requesting comments on this new proposed collection. Section 709.4(b) of the NCUA Rules and Regulations (12 CFR 709) requires the liquidating agent to publish notice to creditors, instructing creditors to present their claims to the liquidating agent by a specified date. The collection of information requirement is that those creditors making a claim must document their claim and submit it to

the liquidating agent. The information is used by NCUA to determine if a claim has been made against a liquidated credit union. Entities would be notified of the need to submit a claim via a letter sent directly to them, a published notice or via the NCUA Web site. Generally, one entity would have one claim against a credit union placed into liquidation. The liquidating agent would use the submitted form to determine a claim had been filed and evaluate it for payment. The information requested by this collection is required to be supplied only once by each creditor making a claim. The timeline for submitting claims is covered by statute.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is amending/reinstating the collection for 3133-0067. The Federal Credit Union Act, 12 U.S.C. 1782(a)(1), requires federally insured credit unions

to make reports of condition to the NCUA Board upon dates the Board selects. NCUA collects the financial and statistical information on a monthly basis and uses it to monitor financial and statistical trends in corporate credit unions and to allocate examination and supervision resources. If this information was not collected, NCUA would not be able to effectively fulfill its primary mission of regulating and supervising credit unions. The burden on the industry continues to decline as a result of mergers of corporate credit unions.

NCUA is proposing to replace the software with an online application as part of CU Online. This will allow corporate credit unions the ability to access the application from any location as well as reduce the administrative burden and cost associated with the installation and maintenance of the previous credit union software.

NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
