II. Request for Comment

The Department is proposing regulations to implement Executive Order 13658, Establishing a Minimum Wage for Contractors. The Executive Order seeks to increase efficiency and cost savings in the work performed by parties that contract with the Federal Government by raising the hourly minimum wage paid by those contractors to workers performing work on covered federal contracts to: (i) \$10.10 per hour, beginning January 1, 2015; and (ii) beginning January 1, 2016, and annually thereafter, an amount determined by the Secretary of Labor. The NPRM incorporates existing definitions, procedures, remedies, and enforcement processes under the Fair Labor Standards Act, the Service Contract Act, and the Davis-Bacon Act.

On February 12, 2014, President Obama signed Executive Order 13658, which directed the Department to issue regulations to implement the requirements of the Executive Order by October 1, 2014. On June 12, 2014, the Department posted on its Web site an overview of the Executive Order and the NPRM comment process. The Department published the NPRM in the **Federal Register** on June 17, 2014 (79 FR 34568), complete with background information, economic impact analysis and proposed regulatory text. The NPRM also requested that interested parties from the public submit comments on the NPRM on or before July 17, 2014.

The Department has received requests to extend the period for filing public comments from government and business organizations. Because of the interest that has been expressed in this matter, the Department has decided to provide an extension of the period for submitting public comment until July 28, 2014.

Dated: June 30, 2014.

Administrator, Wage and Hour Division.
