BILLING CODE 3411-15-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Alaska Pacific Halibut Fisheries: Subsistence (formerly titled: Alaska Pacific Halibut Fisheries: Special Subsistence Permits and Harvest Logs).

OMB Control Number: 0648-0512.

Form Number(s): NA.

Type of Request: Regular submission (revision and extension of a current information collection).

Number of Respondents: 3,806.

Average Hours Per Response: Permit applications and Subsistence Halibut

Registration Certificates, 10 minutes; Community harvest log, 30 minutes; Ceremonial or educational harvest log, 30 minutes; Appeal for permit denial, 4 hours; gear marking, 15 minutes per buoy.

Burden Hours: 1,379.

Needs and Uses: This request is for a revision and extension of a currently approved information collection.

This information collection describes special permits and certificates issued to participants in the Pacific halibut subsistence fishery in waters off the coast of Alaska and any appeals resulting from denials. The National Marine Fisheries Service (NMFS) designed the permits to work in conjunction with other halibut harvest assessment measures. Subsistence fishing for halibut has occurred for many years among the Alaska Native people and non-Native people. Special permits are initiated in response to the concerns of Native and community groups regarding increased restrictions in International Pacific Halibut Commission Area 2C and include Community Harvest Permits, Ceremonial Permits, and Educational Permits.

A Community Harvest Permit allows the community or Alaska Native tribe to appoint one or more individuals from its respective community or tribe to harvest subsistence halibut from a single vessel under reduced gear and harvest restrictions. Ceremonial and Educational Permits are available

exclusively to Alaska Native tribes. Eligible Alaska Native tribes may appoint only one Ceremonial Permit Coordinator per tribe for Ceremonial Permits or one authorized Instructor per tribe for Educational Permits.

Except for enrolled students fishing under a valid Educational Permit, special permits require persons fishing under them to also possess a Subsistence Halibut Registration Certificate (SHARC), formerly approved under OMB Control No. 0648-0460, now to be included in this information collection, which identifies those persons who are currently eligible for subsistence halibut fishing. Each of the instruments is designed to minimize the reporting burden on subsistence halibut fishermen while retrieving essential information. Along with the SHARC registration, gear-marking of subsistence halibut vessels has also been transferred from OMB Control No. 0648-0460.

Affected Public: Individuals or households.

Frequency: Annually and on occasion.

Respondent's Obligation: Required to obtain or maintain benefits.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or faxed to (202) 395-5806.
