

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09–0536 to read as follows:

§ 165.T09–0536 Safety Zone; Water Ski Show, Fox River, Green Bay, WI.

(a) *Location.* All waters of the Fox River in Green Bay, WI from the Main Street Bridge in position 44°31'5.7" N 88°0'54.7" W to the West Walnut Street Bridge in position 44°30'54.3" N 088°1'5.3" W (NAD 83).

(b) *Effective and enforcement periods.* This section is effective from July 9, 2014, until 7:30 p.m. August 27, 2014. This rule will be enforced from 6 p.m. until 6:30 p.m., and again from 7 p.m. until 7:30 p.m. on each day of July 9, 16, 23, 30, and August 6, 13, 20, and 27, 2014.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Lake Michigan or her designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port, Lake Michigan or her designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port, Lake Michigan is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port, Lake Michigan to act on her behalf.

(4) Vessel operators desiring to enter or operate within the safety zone must contact the Captain of the Port, Lake Michigan or her on-scene representative to obtain permission to do so. The Captain of the Port, Lake Michigan or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Lake Michigan or her on-scene representative.

Dated: June 30, 2014.

[Docket No. USCG–2013–1033]

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone—Start of the Chicago to Mackinac Race

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the safety zone on Lake Michigan near Chicago, IL for the start of the Chicago to Mackinac Race. This zone will be enforced on July 18, 2014, from 1:30 p.m. until 4 p.m., and on July 19, 2014, from 10 a.m. until 4:30 p.m. This action is necessary and intended to ensure safety of life on navigable waters during the start of the Chicago to Mackinac Race. During the aforementioned periods, the Coast Guard will enforce restrictions upon, and control movement of, vessels in the safety zone. No person or vessel may enter the safety zone while it is being enforced without permission of the Captain of the Port, Lake Michigan.

DATES: The regulations in 33 CFR 165.929 will be enforced for safety zone (e)(45) in § 165.929, Table 165.929, on July 18, 2014, from 1:30 p.m. until 4 p.m., and on July 19, 2014, from 10 a.m. until 4:30 p.m.

FOR FURTHER INFORMATION CONTACT: If you have questions on this document, call or email MST1 Joseph McCollum, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747–7148, email joseph.p.mccollum@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the Start of Chicago to Mackinac Race safety zone listed as item (e)(45) in Table 165.929 of 33 CFR 165.929. Section 165.929 lists many annual events requiring safety zones in the Captain of the Port Lake Michigan zone. This zone will encompass all waters of Lake Michigan in the vicinity of the Navy Pier at Chicago IL, within a rectangle that is approximately 1500 by 900 yards. The rectangle is bounded

by the coordinates beginning at 41°53'15.1" N, 087°35'25.8" W; then south to 41°52'48.7" N, 087°35'25.8" W; then east to 41°52'49.0" N, 087°34'26.0" W; then north to 41°53'15" N, 087°34'26" W; then west, back to point of origin (NAD 83). This zone will be enforced on July 18, 2014 from 1:30 p.m. until 4 p.m., and on July 19, 2014, from 10 a.m. until 4:30 p.m.

All vessels must obtain permission from the Captain of the Port Lake Michigan or the on-scene representative to enter, move within, or exit a safety zone. Vessels and persons granted permission to enter the safety zone must obey all lawful orders or directions of the Captain of the Port Lake Michigan or a designated representative. Vessels that wish to transit through the safety zone may request permission from the Captain of the Port Lake Michigan. Requests must be made in advance and approved by the Captain of the Port before transits will be authorized. Approvals will be granted on a case by case basis.

This document is issued under authority of 33 CFR 165.929, Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan zone, and 5 U.S.C. 552(a). In addition to this publication in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this event via Broadcast Notice to Mariners or Local Notice to Mariners that the regulation is in effect. The Captain of the Port, Lake Michigan, or her on-scene representative may be contacted via Channel 16, VHF–FM.

Dated: June 30, 2014.

TFR Temporary Final Rule

A. Regulatory History and Information

On March 4, 2014, the Coast Guard published a Final Rule in the **Federal Register** which listed safety zones corresponding to annual marine events in the Sector Lake Michigan zone (79 FR 12064). That final rule included a safety zone for two fireworks displays in Menominee Michigan (City of Menominee 4th of July and Waterfront Festival Fireworks). However, the Coast Guard was informed that the fireworks display locations this year will differ from what is currently published. Thus, the Coast Guard is issuing this temporary final rule to ensure that a safety zone is established around the

launch position of the two fireworks displays in Menominee Michigan.

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA)(5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard’s ability to protect vessels and persons from the hazards associated with two fireworks displays, which are discussed further below.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

B. Basis and Purpose

The legal basis for this rule is the Coast Guard’s authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05–1, 160.5; Department of Homeland Security Delegation No. 0170.1.

On July 4, 2014, the City of Menominee will host its annual Fourth of July Celebration Fireworks. Additionally, on August 9, 2014, the City of Menominee will host its annual Waterfront Festival fireworks. These fireworks displays will be launched from the vicinity of the eastern breakwater of Menominee Marina. The Coast Guard anticipates that a large number of spectators will gather for these fireworks displays. The Captain of the Port, Lake Michigan, has determined that these fireworks displays will pose a significant risk to public safety and property. Such hazards include falling and/or flaming debris, and collisions among spectator vessels.

C. Discussion of the Final Rule

With the aforementioned hazards in mind, the Captain of the Port, Lake Michigan has determined that this temporary safety zone is necessary to ensure the safety of persons and vessels during the fireworks displays in the vicinity of Menominee Marina. This zone is effective from July 4, 2014 until August 9, 2014. This zone will be enforced from 9 p.m. until 10:30 p.m. on July 4, 2014 and from 9 p.m. until 10:30 p.m. on August 9, 2014. The safety zone will encompass all waters of Green Bay, in the vicinity of Menominee Marina, within a 1000-foot radius of a position at 45°6′26.3″ N and 087°35′59.2″ W (NAD 83).

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Lake Michigan or her designated on-scene representative. The Captain of the Port or her designated on-scene representative may be contacted via VHF Channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced for a relatively short duration on two days. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered the impact of this temporary rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit or anchor in the affected portion of Green Bay on July 4 and August 9, 2014.

This safety zone will not have a significant economic impact on a substantial number of small entities for the reasons cited in the *Regulatory Planning and Review* section. Additionally, before the enforcement of this zone, we would issue local Broadcast Notice to Mariners so vessel owners and operators can plan accordingly.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and

the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and

responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

SUMMARY: The Assistant Deputy Secretary for Innovation and Improvement announces final priorities, requirements, and definitions under the CSP Grants for National Leadership Activities. The Assistant Deputy Secretary may use one or more of these priorities, requirements, and definitions for competitions in fiscal year (FY) 2015 and later years.

DATES: *Effective Date:* These final priorities, requirements, and definitions are effective August 13, 2014.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION:

Purpose of Program

The purpose of the CSP is to increase national understanding of the charter school model by—

(1) Providing financial assistance for the planning, program design, and initial implementation of charter schools;

(2) Evaluating the effects of charter schools, including the effects on students, student academic achievement, staff, and parents;

(3) Expanding the number of high-quality charter schools (as defined in the notice) available to students across the Nation; and

(4) Encouraging the States to provide support to charter schools for facilities financing in an amount that is more commensurate with the amount the States have typically provided for non-chartered public schools.

The purpose of the CSP Grants for National Leadership Activities (CFDA 84.282N) is to support efforts by eligible entities to improve the quality of charter schools by providing technical assistance and other types of support on issues of national significance and scope.

Program Authority

The CSP is authorized under 20 U.S.C. 7221–7221i; CSP Grants for National Leadership Activities are authorized under 20 U.S.C. 7221d.

The U.S. Department of Education (Department) published a notice of proposed priorities, requirements, and definitions (NPP) for the CSP Grants for National Leadership Activities in the **Federal Register** on December 3, 2013

(78 FR 72600). The NPP contained background information and our reasons for proposing the particular priorities, requirements, and definitions.

The *Analysis of Comments and Changes* section in this notice describes the differences between the priorities, requirements, and definitions we proposed in the NPP and these final priorities, requirements, and definitions. The two most significant changes are as follows:

We revised the language in *Priority 2—Improving Accountability* to clarify how applicants can describe how their projects will improve authorized public chartering agencies’ capacity to approve new charter schools. We made this change because the proposed priority referred to authorized public chartering agencies’ capacity to approve only high-quality charter schools, which, as defined in this notice, requires that the school show evidence of strong academic results for the past three years (or over the life of the school, if the school has been open for fewer than three years). While authorized public chartering agencies, or authorizers, should approve only high-quality charter petitions, it is not feasible for authorizers to approve only high-quality charter schools as defined in this notice, as the definition would not allow an authorizer to approve a new charter school with no academic achievement data.

We revised *Priority 3—Students with Disabilities* and *Priority 4—English Learners* to allow applicants to address the priorities by promoting collaborative activities between charter schools, non-chartered public schools, and as applicable, key special education stakeholders or key English learner stakeholders, which are designed to improve academic achievement and attainment outcomes for these student subgroups.

Public Comment: In response to our invitation in the NPP, 38 parties submitted comments on the proposed priorities, requirements, and definitions.

Generally, we do not address technical and other minor changes. In addition, we do not address comments that raise concerns not directly related to the proposed priorities, requirements, or definitions.

Analysis of Comments and Changes: An analysis of the comments and any changes in the proposed priorities, requirements, and definitions since publication of the NPP follows.

Comment: Multiple commenters made suggestions regarding how each of the priorities should be designated (i.e.,
