

flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR Part 388, that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR Part 388.

## DEPARTMENT OF TRANSPORTATION

### Maritime Administration

[Docket No. MARAD–2014–0104]

#### Requested Administrative Waiver of the Coastwise Trade Laws: Vessel TROUTMAN 2; Invitation for Public Comments

**AGENCY:** Maritime Administration, Department of Transportation.

**ACTION:** Notice.

**SUMMARY:** As authorized by 46 U.S.C. 12121, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is listed below.

**DATES:** Submit comments on or before August 14, 2014.

**ADDRESSES:** Comments should refer to docket number MARAD–2014–0104. Written comments may be submitted by hand or by mail to the Docket Clerk,

U.S. Department of Transportation, Docket Operations, M–30, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590. You may also send comments electronically via the Internet at <http://www.regulations.gov>. All comments will become part of this docket and will be available for inspection and copying at the above address between 10 a.m. and 5 p.m., E.T., Monday through Friday, except federal holidays. An electronic version of this document and all documents entered into this docket is available on the World Wide Web at <http://www.regulations.gov>.

#### FOR FURTHER INFORMATION CONTACT:

Linda Williams, U.S. Department of Transportation, Maritime Administration, 1200 New Jersey Avenue SE., Room W23–453, Washington, DC 20590. Telephone 202–366–0903, Email [Linda.Williams@dot.gov](mailto:Linda.Williams@dot.gov).

#### SUPPLEMENTARY INFORMATION:

As described by the applicant the intended service of the vessel Troutman 2 is:

*Intended Commercial Use of Vessel:* “OUPV six passenger max charter sport fishing trips on Lake Ontario”.

*Geographic Region:* “New York”.

The complete application is given in DOT docket MARAD–2014–0104 at <http://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR part 388, that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR Part 388.

## DEPARTMENT OF TRANSPORTATION

### National Highway Traffic Safety Administration

[Docket No. NHTSA–2012–0165; Notice 2]

#### General Motors, LLC, Denial of Petition for Decision of Inconsequential Noncompliance

**AGENCY:** National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

**ACTION:** Denial of petition.

**SUMMARY:** General Motors, LLC (GM)<sup>1</sup> has determined that certain model year (MY) 2011 through 2013 Buick Regal and MY 2013 Chevrolet Malibu passenger cars may not fully comply with the turn signal lamp failure indicator requirement found in paragraph S5.5.6 of Federal Motor Vehicle Safety Standard (FMVSS) No. 108, *Lamps, Reflective Devices, and Associated Equipment*. GM has filed an appropriate report dated October 3, 2012, pursuant to 49 CFR Part 573, *Defect and Noncompliance Responsibility and Reports*.

**ADDRESSES:** For further information on this decision contact Mr. Mike Cole, Office of Vehicle Safety Compliance, the National Highway Traffic Safety Administration (NHTSA), telephone (202) 366–2334, facsimile (202) 366–5930.

**SUPPLEMENTARY INFORMATION:** I. GM’s petition: Pursuant to 49 U.S.C. 30118(d) and 30120(h) (see implementing rule at 49 CFR Part 556), GM submitted a petition for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential to motor vehicle safety.

Notice of receipt of the petition was published, with a 30-day public comment period, on September 19, 2013, in the **Federal Register** (78 FR 43965). No comments were received. To view the petition and all supporting documents log onto the Federal Docket Management System (FDMS) Web site at: <http://www.regulations.gov/>. Then follow the online search instructions to locate docket number “NHTSA–2012–0165.”

I. Vehicles Involved: Affected are approximately 109,563 MY 2011 through 2013 Buick Regal and MY 2013 Chevrolet Malibu passenger cars manufactured from January 20, 2010 through September 18, 2012.

II. Noncompliance: GM explains that the subject vehicles are equipped with front turn signals, each of which incorporates two light sources. When both light sources of either front turn signal fail, turn signal lamp failure indication is provided as required by paragraph S5.5.6 of FMVSS No. 108.

However, turn signal lamp failure indication is not provided if only one of the light sources fails in either front turn signal assembly. If a single bulb fails to illuminate, the turn signal is still illuminated by the other bulb.

III. Rule Text: Paragraph S5.5.6 of FMVSS No. 108 specifically states:

S5.5.6 Each vehicle equipped with a turn signal operating unit shall also have an illuminated pilot indicator. Failure of one or more turn signal lamps to operate shall be indicated in accordance with SAE Standard J588e, Turn Signal Lamps, September 1970 . . .

IV. Summary of GM’s Analyses: GM stated its belief that the lack of turn signal lamp failure indication is inconsequential to motor vehicle safety for the following reasons:

1. As delivered to the customer the turn signal lamps function properly and meet all requirements of FMVSS No. 108. This is not a situation where the photometric output of the turn signals fails to meet the requirements as delivered to the customer. In fact, the light output of the normally operating turn signals greatly exceeds the photometric requirements as produced.

2. Most drivers will never be affected by the reduction of photometric output, without outage indication as a result of a single front bulb failure, because the failure rate of the turn signal bulb is extremely low. The bulb life of these turn signals is three to four times the life of the bulbs used in turn signals when the turn signal lamps failure indication requirement was incorporated into the standard. The bulbs used in the subject front turn signals have a tested life of 1,100 hours at 12.8 volts. Using this information in a Monte Carlo simulation analysis provides the following results:

Years .....	2.5	5.0	7.5	10.0
Miles .....	31,250	62,500	93,750	125,000
No. of Burnouts .....	0	0	1	4
SIM Vehicles .....	10,000	10,000	10,000	10,000
Failure IPTV .....	0.000	0.000	0.400	4.000
