National School Lunch, Special Milk, and School Breakfast Programs: National Average Payments/Maximum Reimbursement Rates

AGENCY: Food and Nutrition Service, USDA.

ACTION: Notice.

SUMMARY: This Notice announces the annual adjustments to the “national

average payments,” the amount of money the Federal Government provides States for lunches, afterschool snacks and breakfasts served to children participating in the National School Lunch and School Breakfast Programs; to the “maximum reimbursement rates,” the maximum per lunch rate from Federal funds that a State can provide a school food authority for lunches served to children participating in the National School Lunch Program; and to the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution which participates in the Special Milk Program for Children. The payments and rates are prescribed on an annual basis each July. The annual payments and rates adjustments for the National School Lunch and School Breakfast Programs reflect changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers. The annual rate adjustment for the Special Milk Program reflects changes in the Producer Price Index for Fluid Milk Products.

DATES: These rates are effective from July 1, 2014 through June 30, 2015.

FOR FURTHER INFORMATION CONTACT: Rosemary O’Connell, Branch Chief, Policy and Program Development Division, Child Nutrition Programs, Food and Nutrition Service, USDA, 3101 Park Center Drive, Room 1206, Alexandria, VA 22302; or phone (703) 305-2590.

SUPPLEMENTARY INFORMATION:

Background

Special Milk Program for Children—Pursuant to section 3 of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1772), the Department announces the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution that participates in the Special Milk Program for Children. This rate is adjusted annually to reflect changes in the Producer Price Index for Fluid Milk Products, published by the Bureau of Labor Statistics of the Department of Labor.

For the period July 1, 2014 through June 30, 2015, the rate of reimbursement for a half-pint of milk served to a non-needy child in a school or institution which participates in the Special Milk Program is 20.30 cents. This reflects an increase of 13.45 percent in the Producer Price Index for Fluid Milk Products from May 2013 to May 2014 (from a level of 221.6 in May 2013, as previously published in the **Federal Register** to 251.4 in May 2014).

As a reminder, schools or institutions with pricing programs that elect to serve

milk free to eligible children continue to receive the average cost of a half-pint of milk (the total cost of all milk purchased during the claim period divided by the total number of purchased half-pints) for each half-pint served to an eligible child.

National School Lunch and School Breakfast Programs—Pursuant to sections 11 and 17A of the Richard B. Russell National School Lunch Act, (42 U.S.C. 1759a and 1766a), and section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773), the Department annually announces the adjustments to the National Average Payment Factors and to the maximum Federal reimbursement rates for lunches and afterschool snacks served to children participating in the National School Lunch Program and breakfasts served to children participating in the School Breakfast Program. Adjustments are prescribed each July 1, based on changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor. The changes in the national average payment rates for schools and residential child care institutions for the period July 1, 2014 through June 30, 2015 reflect a 2.19 percent increase in the Consumer Price Index for All Urban Consumers during the 12-month period May 2013 to May 2014 (from a level of 242.642 in May 2013, as previously published in the **Federal Register** to 247.952 in May 2014). Adjustments to the national average payment rates for all lunches served under the National School Lunch Program, breakfasts served under the School Breakfast Program, and afterschool snacks served under the National School Lunch Program are rounded down to the nearest whole cent.

Lunch Payment Levels—Section 4 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753) provides general cash for food assistance payments to States to assist schools in purchasing food. The Richard B. Russell National School Lunch Act provides two different section 4 payment levels for lunches served under the National School Lunch Program. The lower payment level applies to lunches served by school food authorities in which less than 60 percent of the lunches served in the school lunch program during the second preceding school year were served free or at a reduced price. The higher payment level applies to lunches served by school food authorities in which 60 percent or more of the lunches served during the second preceding school year were served free or at a reduced price.

To supplement these section 4 payments, section 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1759a) provides special cash assistance payments to aid schools in providing free and reduced price lunches. The section 11 National Average Payment Factor for each reduced price lunch served is set at 40 cents less than the factor for each free lunch.

As authorized under sections 8 and 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1757 and 1759a), maximum reimbursement rates for each type of lunch are prescribed by the Department in this Notice. These maximum rates are to ensure equitable disbursement of Federal funds to school food authorities.

Section 201 of the Healthy, Hunger-Free Kids Act of 2010—Section 201 of the Healthy, Hunger-Free Kids Act of 2010 made significant changes to the Richard B. Russell National School Lunch Act. On January 3, 2014, the final rule entitled, “Certification of Compliance With Meal Requirements for the National School Lunch Program Under the Healthy, Hunger-Free Kids Act of 2010” (79 FR 325), was published and provides eligible school food authorities with performance-based cash reimbursement in addition to the general and special cash assistance described above. The final rule requires that school food authorities be certified by the State agency as being in compliance with the updated meal pattern and nutrition standard requirements set forth in amendments to 7 CFR parts 210 and 220 on January 26, 2012, in the final rule entitled “Nutrition Standards in the National School Lunch and School Breakfast Programs” (77 FR 4088). Certified school food authorities are eligible to receive performance-based cash assistance for each reimbursable lunch served (an additional six cents per lunch available beginning October 1, 2012, and adjusted annually thereafter).

Afterschool Snack Payments in Afterschool Care Programs—Section 17A of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766a) establishes National Average Payments for free, reduced price and paid afterschool snacks as part of the National School Lunch Program.

Breakfast Payment Factors—Section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) establishes National Average Payment Factors for free, reduced price and paid breakfasts served under the School Breakfast Program and additional payments for free and reduced price breakfasts served in schools determined to be in “severe
