BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on July 25, 2014, at 10 a.m., in the Auditorium (L-002) at the Commission's headquarters building, to hear oral argument in an appeal by the Division of Enforcement from an initial decision of an administrative law judge.

On October 28, 2011, the law judge dismissed proceedings brought by the Division against Respondents John P. Flannery and James D. Hopkins, former employees of State Street Bank and Trust Company. The law judge held that Respondents did not violate the antifraud provisions of Section 17(a) of the Securities Act of 1933, Section 10(b) of the Securities Exchange Act of 1934, and Exchange Act Rule 10b-5 because she found that, among other things, they did not make misleading statements regarding the portfolio holdings of an unregistered collective trust fund, the Limited Duration Bond Fund ("LDBF"), in communications with LDBF investors.

The issues likely to be considered at oral argument include whether Respondents violated the antifraud provisions as alleged and, if so, the extent to which they should be sanctioned for those violations.

For further information, please contact the Office of the Secretary at (202) 551-5400.

Dated: July 17, 2014.

Kevin M. O'Neill,
Deputy Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72608; File No. SR-CBOE-2014-055]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Its Fees Schedule

July 15, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 1, 2014, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, to be effective July 1,

2014. First, the Exchange proposes to increase the fees for electronic Professional/Voluntary Professional (W) ("Professional") and Joint Back Office (J) ("JBO") executions in equity, ETF, ETN and index options classes (except, SPX, SPXW, SPXpm, SRO, OEX, XEO, VIX, VXST and VOLATILITY INDEXES (the "Special Classes")) from \$0.30 to \$0.45 for Penny Pilot Classes and \$0.60 for Non-Penny Pilot Classes. The Exchange notes that the proposed fees are the same amount that are currently assessed to Broker-Dealers and non-Trading Permit Holder Market Makers. The Exchange also notes that this change is being proposed due to competitive reasons and that the increased amount is within the range of fees assessed for similar transactions on other exchanges.³

The Exchange also proposes to amend its Fees Schedule to adopt a fee of \$200 per report per FBW group⁴ per month for daily reports provided to requesting users of the Exchange's aggregation Floor Broker Workstation (which are used on the Exchange trading floor to enter orders) ("FBW"). The Exchange licenses the FBW software from a third-party vendor, which vendor operates FBW on behalf of the Exchange. This vendor also provides upon request by TPHs on an ad hoc basis reports related to their use of FBW. For example, some TPHs request reports related to the orders they enter on FBWs. Other TPHs request reports related to their market access control settings.⁵ Currently, TPHs receive these ad hoc reports at no charge. Recently, however, FBW users have requested that they automatically receive reports on a daily basis. The

³ See PHLX Pricing, Section II, Multiply Listed Options Fees.

⁴ For business purposes, a Trading Permit Holder ("TPH") firm may group FBW users within that firm into an FBW aggregation group (for example, a TPH may have an index group and an equity group). If a TPH has FBW aggregation groups, the proposed fee will be applied to each group. For example, if a TPH has an FBW index group and an FBW equity group, and the TPH requests that it receive daily market access control reports for both groups, the Exchange will charge the TPH \$400/month under the proposed fee.

⁵ FBW includes a market access control window in which TPHs can input parameters and settings (which are displayed for each FBW aggregation group) with respect to their orders to help them manage their trading risk. These risk controls include pre-order controls (such as quantity of contracts per order, premium amount per order, number of identical orders and frequency of order entry) and aggregate controls (such as actual and predictive values for premium amount per day, quantity of contracts per day, and the number of orders with a status of working). Use of the market access control window is voluntary. Pursuant to the CBOE Fees Schedule, the Exchange charges TPHs \$100/month per login ID (capped at \$2,000 per month for a TPH) for use of the market access controls window costs.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

FBW vendor has determined that the cost to provide a daily report for a TPH (or a TPH's FBW aggregation group, if applicable) is \$200 per month and will assess to the Exchange a fee in this amount for the provision of each daily report (for each FBW aggregation group) to a TPH.⁶ As such, the Exchange proposes to charge a fee in the same amount (\$200 per report per month)⁷ to each TPH that requests to receive a daily report(s) (for each FBW aggregation group, if applicable). The proposed fee essentially passes through to each requesting TPH the cost charged to the Exchange for daily reports for that TPH so that the Exchange can recoup this cost. Receipt of the daily reports, and thus the proposed fee, will be optional for TPHs.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁸ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁹ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange also believes the proposed rule change is consistent with Section 6(b)(4) of the Act,¹⁰ which provides that Exchange rules may provide for the equitable allocation of reasonable dues, fees, and other charges among its Trading Permit Holders.

In particular, the Exchange's proposal to increase the electronic Professional and JBO options transaction fee in Penny Pilot Options to \$0.45 per contract and in Non-Penny Pilot Options to \$0.60 is reasonable because

the Exchange's fees will remain competitive with fees at other options markets.¹¹ The Exchange believes that this proposed change is equitable and not unfairly discriminatory because the Exchange will assess Professionals, JBOs, Broker-Dealers and non-Trading Permit Holder Market Makers the same electronic options transaction fees in Penny Pilot options and Non-Penny Pilot options. The Exchange notes that it does not assess Customers the electronic options transaction fees in Penny Pilot and Non-Penny Pilot options because Customer order flow enhances liquidity on the Exchange for the benefit of all market participants. Specifically, Customer liquidity benefits all market participants by providing more trading opportunities, which attracts Market Makers. An increase in the activity of these market participants in turn facilitates tighter spreads, which may cause an additional corresponding increase in order flow from other market participants. The Exchange notes that Market Makers are assessed lower electronic options transaction fees in Penny Pilot and Non-Penny Pilot options as compared to Professionals, JBOs, Broker Dealers and non-Trading Permit Holder Market Makers because they have obligations to the market and regulatory requirements, which normally do not apply to other market participants (e.g., obligations to make continuous markets). Accordingly, the differentiation between electronic transaction fees for Customers, Market Makers and other market participants recognizes the differing contributions made to the liquidity and trading environment on the Exchange by these market participants.

The Exchange believes that the proposed fee of \$200 per file per month (for each FBW aggregation group, if applicable) for the receipt of daily reports is reasonable because this is the cost imposed on the Exchange by the third-party vendor for the provision of these reports. The proposed fee merely allows the Exchange to recoup this cost by passing it through to the requesting TPH. The Exchange will not keep any of the fees assessed on TPHs. The Exchange believes that the proposed fee is equitable and not unfairly discriminatory because this fee is optional and will be assessed uniformly to all TPHs that request the daily market access control.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act because, while different electronic transaction fees are assessed to different market participants, these different market participants have different obligations and different circumstances (as described in the "Statutory Basis" section above). For example, Market Makers have quoting obligations that other market participants do not have and Customer order flow enhances liquidity on the Exchange for the benefit of all market participants as described in above. The Exchange believes that the proposal to increase the fee amount assessed to electronic Professional and JBO executions in Penny Pilot and Non-Penny Pilot options will not cause an unnecessary burden on intermarket competition because the fee and fee amount is similar to fees assessed at other exchanges.¹² To the extent that the proposed changes make CBOE a more attractive marketplace for market participants at other exchanges, such market participants are welcome to become CBOE market participants.

Finally, CBOE does not believe that the proposed rule change to adopt a FBW Report Fee will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed fee will be assessed uniformly to all TPHs that use FBW and request the daily reports. Receipt of the daily reports (and thus the proposed fee) will be optional for TPHs. In addition, the proposed fee applies only to users of FBWs located at the Exchange and is not intended for competitive reasons. The proposed fee merely allows the Exchange to recoup the cost imposed on it by the third-party vendor for the provision of these daily reports by passing it through to each requesting TPH.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

⁶ TPHs that want to receive daily reports should request them from the Exchange (as they currently do with respect to the ad hoc reports).

⁷ For example, if a TPH requests that it receive a daily report for its orders and a daily report for its market access control settings, the Exchange will charge the TPH \$400 per month (\$200 for the order report and \$200 for the market access control report).

⁸ 15 U.S.C. 78f(b).

⁹ 15 U.S.C. 78f(b)(5).

¹⁰ 15 U.S.C. 78f(b)(4).

¹¹ See PHLX Pricing, Section II, Multiply Listed Options Fees.

¹² See PHLX Pricing, Section II, Multiply Listed Options Fees.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and paragraph (f) of Rule 19b-4¹⁴ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-CBOE-2014-055 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2014-055. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public

Reference Room, 100 F Street NE., Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2014-055 and should be submitted on or before August 11, 2014.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁵

Kevin M. O'Neill,

Deputy Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72607; File No. SR-NASDAQ-2014-057]

Self-Regulatory Organizations; the NASDAQ Stock Market LLC; Order Granting Approval of Proposed Rule Change Relating to the Listing and Trading of the Shares of the First Trust Low Duration Mortgage Opportunities ETF of First Trust Exchange-Traded Fund IV

July 15, 2014.

I. Introduction

On May 20, 2014, The NASDAQ Stock Market LLC ("Nasdaq" or the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade shares ("Shares") of the First Trust Low Duration Mortgage Opportunities ETF ("Fund") of First Trust Exchange-Traded Fund IV ("Trust") under Nasdaq Rule 5735, which governs the listing and trading of Managed Fund Shares on the Exchange. The proposed rule change was published for comment in the **Federal Register** on June 5, 2014.³ The Commission received no comments on the proposed rule change. This order

grants approval of the proposed rule change.

II. Description of Proposed Rule Change

The Exchange has made the following representations and statements in describing the Fund and its investment strategies, including other portfolio holdings and investment restrictions.⁴

General

The Fund will be an actively-managed exchange-traded fund ("ETF"). The Shares will be offered by the Trust, which was established as a Massachusetts business trust on September 15, 2010. The Trust is registered with the Commission as an investment company and has filed a registration statement on Form N-1A ("Registration Statement") with the Commission.⁵ The Fund will be a series of the Trust. First Trust Advisors L.P. will be the investment adviser ("Adviser") to the Fund.⁶ First Trust

⁴ The Commission notes that additional information regarding the Trust, the Fund, and the Shares, including investment strategies, risks, net asset value ("NAV") calculation, creation and redemption procedures, fees, Fund holdings disclosure policies, distributions, and taxes, among other information, is included in the Notice and the Registration Statement, as applicable. See Notice and Registration Statement, *supra* note 3 and *infra* note 5, respectively.

⁵ See Post-Effective Amendment No. 69 to Registration Statement on Form N-1A for the Trust, dated May 16, 2014 (File Nos. 333-174332 and 811-22559). The Exchange states that the Commission has issued an order granting certain exemptive relief under the Investment Company Act of 1940 ("1940 Act"). See Investment Company Act Release No. 30029 (April 10, 2012) (File No. 812-13795) ("Exemptive Relief"). In addition, the Exchange states that on December 6, 2012, the staff of the Commission's Division of Investment Management ("Division") issued a no-action letter ("No-Action Letter") relating to the use of derivatives by actively-managed ETFs. See No-Action Letter dated December 6, 2012 from Elizabeth G. Osterman, Associate Director, Office of Exemptive Applications, Division. The Exchange states that the No-Action Letter stated that the Division would not recommend enforcement action to the Commission under applicable provisions of and rules under the 1940 Act if actively-managed ETFs operating in reliance on specified orders (which include the Exemptive Relief) invest in options contracts, futures contracts, or swap agreements, provided that they comply with certain representations stated in the No-Action Letter.

⁶ The Exchange states that the Adviser is not a broker-dealer, but it is affiliated with the Distributor, a broker-dealer. The Exchange states that the Adviser has implemented a fire wall with respect to its broker-dealer affiliate regarding access to information concerning the composition of or changes to the portfolio, and that personnel who make decisions on the Fund's portfolio composition will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the Fund's portfolio. The Exchange further states that, in the event (a) the Adviser or any sub-adviser becomes, or becomes newly affiliated with, a broker-dealer, or (b) any new adviser or sub-adviser is a registered broker-dealer or becomes affiliated with a broker-dealer, the adviser or sub-adviser, as applicable, will
