

unavoidable, or accidental. It does not mean that the taking must be unexpected." The commenter did not address the information collection requirements, and we did not make any changes to our information collection.

The other commenter expressed support for the information collection process. The commenter stated that the specified information allowed the Service "to make the required findings for issuing the appropriate authorizations for the incidental taking of marine mammals under the statute and implementing regulations, and ensures permittee compliance with specific monitoring and reporting measures." The information also helped "to provide a better understanding of the types of effects the oil and gas industry activities are having on polar bear and walrus populations and the effectiveness of mitigation and monitoring requirements."

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and
- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-907]

### Certain Vision-Based Driver Assistance System Cameras and Components Thereof: Institution of Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on December 23, 2013, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Magna Electronics Inc. of Auburn Hills, Michigan. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain vision-based driver assistance system cameras and components thereof by reason of infringement of U.S. Patent No. 8,116,929 ("the '929 patent") and U.S. Patent No. 8,593,521 ("the '521 patent"). The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainant requests that the Commission institute an investigation and, after the investigation, issue a limited exclusion order and a cease and desist order.

**ADDRESSES:** The complaint, except for any confidential information contained therein, is available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Room 112, Washington, DC 20436, telephone
