**SUPPLEMENTARY INFORMATION:** The NFA is mandated under the Fire Prevention and Control Act of 1974 (Pub. L. 93-498) to provide training and education to the Nation's fire service and emergency service personnel. The state of-the-art programs offered by the NFA serve as models of excellence and State and local fire service agencies rely heavily on the curriculum to train their personnel. To maintain the quality of

these training programs, it is critical that courses be evaluated after students have had the opportunity to apply the knowledge and skills gained from their training.
