

Department of Energy procedures were followed by Western in developing the rate formula approved by FERC on December 9, 2010, at 133 FERC ¶ 62,229.<sup>2</sup>

The Boulder Canyon Project Implementation Agreement (BCPIA) requires that Western determine the annual base charge and rates for the next fiscal year before October 1 of each rate year. The rates for the first rate year, and each fifth rate year thereafter, become effective provisionally upon approval by the Deputy Secretary and subject to final approval by FERC. For all other rate years, the rates become effective on a final basis upon approval by the Deputy Secretary. Because FY 2015 is an interim year, these rates become effective on a final basis upon approval by the Deputy Secretary.

Western will continue to provide annual rates to the BCP Contractors by October 1 of each year using the same rate-setting formula. In accordance with 10 CFR part 904, effective June 1, 1987 (57 FR 43154), and the BCPIA, the rates are reviewed annually and adjusted upward or downward to assure sufficient revenues are collected to achieve payment of all costs and financial obligations associated with the project. Each fiscal year, Western prepares a PRS for the BCP to update actual revenues and expenses, including interest, estimates of future revenues, operating expenses, and capitalized costs.

The BCP rate-setting formula includes a base charge, an energy rate, and a capacity rate. The rate-setting formula was used to determine the BCP FY 2015 Base Charge and Rates.

Western proposed a FY 2015 Base Charge of \$61,008,518, an energy rate of 8.14 mills/kWh, and a capacity rate of 1.61/kW-month.

Consistent with procedures set forth in 10 CFR part 903 and 904 and 18 CFR part 300, Western held a consultation and comment period. The notice of the

proposed FY 2015 Base Charge and Rates for electric service was published in the **Federal Register** on February 5, 2014 (79 FR 6896).

Under Delegation Order Nos. 00–037.00A and 00–001.00C, and in compliance with 10 CFR part 903, I hereby approve the FY 2015 Base Charge and Rates for BCP Electric Service on a final basis under Rate Schedule BCP–F8 through September 30, 2015.

Issued in Washington, DC, on August 7, 2014.

**Daniel B. Poneman,**

*Deputy Secretary of Energy.*
