SUPPLEMENTARY INFORMATION:

I. Background

Elsewhere in today's issue of the **Federal Register**, the Departments of Labor, the Treasury, and Health and Human Services are issuing interim final regulations regarding coverage of certain preventive services under section 2713 of the Public Health Service Act (PHS Act), added by the Patient Protection and Affordable Care Act, as amended, and incorporated into the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code. Section 2713 of the PHS Act requires coverage without cost sharing of certain preventive health services by non-grandfathered group health plans and health insurance coverage. Among these services are women's preventive health services, as specified in guidelines supported by the Health Resources and Services Administration (HRSA).

As authorized by final regulations issued on July 2, 2013 (78 FR 39870), and consistent with the HRSA guidelines, group health plans established or maintained by certain religious employers (and group health insurance coverage provided in connection with such plans) are exempt from the otherwise applicable requirement to cover certain contraceptive services. Additionally, under the final regulations, group health plans established or maintained by

certain nonprofit organizations that hold themselves out as religious organizations and that have religious objections to contraceptive coverage (eligible organizations) are eligible for an accommodation.

The final regulations require each organization seeking accommodation to self-certify that it meets the definition of an eligible organization. The organization must send a copy of the self-certification to an issuer or third-party administrator. The organizations seeking the accommodation must maintain the self-certification/ notification in a manner consistent with the record retention requirements under section 107 of the Employee Retirement Income Security Act of 1974, which generally requires records to be maintained for six years. The form that is used by eligible organizations for their self-certification is EBSA Form 700, which is an information collection request (ICR) subject to the Paperwork Reduction Act.

The interim final regulations augment the final regulations and revise the EBSA Form 700 ICR in light of the Wheaton order. Specifically, the interim final regulations continue to allow eligible organizations to notify an issuer or third party administrator using EBSA Form 700, as set forth in the July 2013 final regulations. In addition, the interim final regulations permit an alternative process, consistent with the Wheaton order, under which an eligible organization could notify the Secretary of HHS that it will not act as the plan administrator or claims administrator with respect to, or contribute to the funding of, coverage of all or a subset of contraceptive services. The notification must include information sufficient to identify the plan, plan type (including whether it is a church plan within the meaning of ERISA section 3(33)), and the identity and mailing addresses of any third party administrators.

On August 21, 2014, the Office of Management and Budget (OMB) approved the amendments to EBSA Form 700 required as a revision to OMB Control Number 1210-0150 under the emergency procedures for review and clearance in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35) and 5 CFR 1320.13. OMB's approval of the revision currently is schedule to expire on February 28, 2015.
