

Purpose of the Board

The purpose of the Board is to review annually the programs of the National Fire Academy (NFA) and advise the Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, of the operation of the NFA and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines NFA programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the NFA to determine the adequacy of the NFA's facilities, and examines the funding levels for NFA programs. The Board submits a written annual report through the United States Fire Administrator to the Administrator of FEMA. The report provides detailed comments and recommendations regarding the operation of the NFA.

Agenda

On the first day of the meeting, there will be 6 sessions, with deliberations and voting at the end of each session as necessary.

1. The Board will select a Chairperson and Vice Chairperson for Fiscal Year 2015, and the Chairperson will acknowledge the recognition given to the Board of Visitors for the National Fire Academy by the Department of Homeland Security's Committee Management Officer.

2. The Board will then review and give feedback on NFA program activities, including:

- The Managing Officer Program, a new multiyear curriculum that introduces emerging emergency services leaders to personal and professional skills in change management, risk reduction, and adaptive leadership;
- The Executive Fire Officer Program Symposium;
- Scheduling of back-to-back, 6-day classes/one stipend initiative;
- The curriculum development plan for Fiscal Year 2015;
- The curriculum Enterprise Shared Workspace, a database system developed to capture and track course development and revision activities;
- NFA Online, the NFA's web-based learning platform for distance learning courses;
- Mediated course deliveries, which provide NFA training through an instructor facilitated web-based learning environment;
- The Bring-Your-Own-Device program, which allows students to download the student manual to their own personal electronic devices and

eliminates the use of paper-based student materials; and

- The Fire and Emergency Services Higher Education Recognition Program.

3. The Board will then receive updates on U.S. Fire Administration data, research, and response support initiatives.

4. The Board will then discuss the Professional Development Subcommittee activities, including the Professional Development Symposium, which brings national training and education audiences together for their annual conference and support initiatives, and the guidelines for work groups within the subcommittee.

5. The BOV will receive annual ethics training.

6. The BOV will discuss deferred maintenance and capital improvements on the National Emergency Training Center campus and Fiscal Year 2015 Budget Request/Budget Planning, as well as tour the campus facility.

On the second day, the Board will conduct classroom visits and engage in an annual report writing session. Deliberations or voting may occur as needed during the report writing session.

There will be a 10-minute comment period after each agenda item; each speaker will be given no more than 2 minutes to speak. Please note that the public comment period may end before the time indicated, following the last call for comments. Contact Cindy Wivell to register as a speaker.

Dated: August 27, 2014.

Denis G. Onieal,

Superintendent, National Fire Academy, United States Fire Administration, Federal Emergency Management Agency.
