SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Rent Reform Demonstration (Task Order 1).
OMB Approval Number: 2528-New.
Type of Request: New collection.
Form Number: None.

Description of the need for the information and proposed use: The Department is conducting this study under contract with MDRC and its subcontractors (Branch Associates, The Bronner Group, Quadel Consulting Corporation, and the Urban Institute). The project is a random assignment trial of an alternative rent system. Families will be randomly assigned to either participate in the new/alternative rent system or to continue in the current system. For voucher holders, outcomes of the alternative system are hypothesized to be increases in earnings, employment and job retention, among others. Random assignment will limit the extent to which selection bias drives observed results. The demonstration will document the progress of a group of housing voucher holders, who will be drawn from current residents. The intent is to gain

an understanding of the impact of the alternative rent system on the families as well as the administrative burden on Public Housing Agencies (PHAs). PHAs currently participating in the Moving to Work (MtW) Demonstration are being recruited to participate in the demonstration. Data collection will include the families that are part of the treatment and control groups, as well as PHA staff. Data for this evaluation will be gathered through a variety of methods including informational interviews, direct observation, surveys, and analysis of administrative records. The work covered under this information request is for the baseline survey. Work funded by subsequent task orders will be covered under a separate information collection request.

A. Overview of Information Collection

Title of Information Collection: Congregate Housing Services Program.
OMB Approval Number: 2502-0485.
Type of Request: Extension of currently approved collection.

Form Number: HUD-90003, HUD-90006, HUD-90198, HUD-91180-A, SF-269, 91178-A.

Description of the need for the information and proposed use: Completion of the Annual Report by grantees provides HUD with essential

information about whom the grant is serving and what sort of services the beneficiaries receive using grant funds.

The Summary Budget and the Annual Program Budget make up the budget of the grantee's annual extension request. Together the forms provide itemized expenses for anticipated program costs and a matrix of budgeted yearly costs. The budget forms show the services funded through the grant and demonstrate how matching funds, participant fees, and grant funds will be used in tandem to operate the grant program. Field staff approve the annual budget and request annual extension funds according to the budget. Field staff can also determine if grantees are meeting statutory and regulatory requirements through the evaluation of this budget.

HUD will use the Payment Voucher to monitor use of grant funds for eligible activities over the term of the grant. The Grantee may similarly use the Payment Voucher to track and record their requests for payment reimbursement for grant-funded activities.

A. Overview of Information Collection

Title of Information Collection:

Emergency Homeownership Loan Program—Data Requirements.

OMB Approval Number: 2502–0597.

Type of Request: Extension.

Form Number: HUD–96020, HUD–96021a, HUD–96021b, HUD–96022, HUD–96023a, HUD–96023b, HUD–96024, HUD–96023, HUD–96025a, HUD–96025b, HUD–96026.

Description of the need for the information and proposed use: This information collection is necessary to determine applicant eligibility to receive mortgage relief assistance under the Emergency Homeowners' Loan Program. This Notice informs the public that the U.S. Department of Housing and Urban Development (HUD) has submitted to OMB, an information collection package with respect to implementing the Emergency Homeowners' Loan Program targeted to borrowers facing foreclosure.

The Dodd-Frank Wall Street Reform and Consumer Protection Act, 2010 (Pub. L. 111–203, approved July 21, 2010, Sec 1496) appropriated \$1billion to HUD to establish an Emergency Homeowner's Relief Fund, pursuant to section 107 of the Emergency Housing Act of 1975, that will provide emergency mortgage assistance to homeowners that are at risk of foreclosure due to involuntary unemployment or underemployment due to an adverse economic or medical condition. Accordingly, HUD is implementing the Emergency Homeowners Loan Program (EHLPL) that is designed to offer a declining balance, deferred payment "bridge loan" (non-recourse, subordinate loan with zero interest) for up to \$50,000 to assist eligible homeowners with payments of arrearages, including delinquent taxes and insurance. Additionally, EHLPL may be used to assist eligible homeowners with up to 24 months of monthly payments on their mortgage principal, interest, mortgage insurance premiums, taxes, and hazard insurance. Assistance will not exceed \$50,000 per eligible homeowner.

HUD will use two approaches to implement EHLPL: (1) Provide allocations to States that currently have substantially similar programs to administer their mortgage relief funds directly; and (2) delegate key administrative functions to third party entities that will assist HUD with program implementation. The third party entities will be primarily
