DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA–2014–D–1264]

Submission of a Proposed Draft Guidance for Industry on Developing Drugs for Treatment of Duchenne Muscular Dystrophy; Establishment of a Public Docket

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is establishing a public docket to discuss issues related to developing drugs for Duchenne muscular dystrophy (DMD). During a public-private policy forum for DMD on December 12, 2013, FDA agreed that Parent Project Muscular Dystrophy (PPMD) and other interested parties in the DMD community could submit for FDA consideration a proposal for a draft guidance for industry on developing drugs for DMD. That proposed draft guidance was submitted to FDA on June 25, 2014. FDA values the guidance provided by the DMD community and is posting the document to seek additional guidance and public comment.

DATES: Submit electronic or written comments by October 6, 2014.

ADDRESSES: Submit written requests for single copies of the proposed draft guidance to the Division of Drug Information, Center for Drug Evaluation and Research, Food and Drug Administration, 10903 New Hampshire Ave., Bldg. 51, Rm. 2201, Silver Spring, MD 20993–0002. Send one self-addressed adhesive label to assist that office in processing your requests. See the **SUPPLEMENTARY INFORMATION** section for electronic access to the proposed draft guidance document.

Submit electronic comments to <http://www.regulations.gov>. Submit written comments to the Division of Dockets Management (HFA–305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852. All comments should be identified with the docket number found in brackets in the heading of this document.

FOR FURTHER INFORMATION CONTACT: Colleen LoCicero, Center for Drug Evaluation and Research, Food and Drug Administration, 10903 New Hampshire Ave., Bldg. 22, Rm. 4242, Silver Spring, MD 20993–0002, 301–796–1114, colleen.locicero@fda.hhs.gov.

SUPPLEMENTARY INFORMATION:

I. Comments

FDA invites comment on all matters relating to topics for consideration regarding DMD drug development. This request is not limited to comments on the proposal described in the submission by PPMD.

Interested persons may submit either electronic comments to <http://www.regulations.gov> or written comments to the Division of Dockets Management (see **ADDRESSES**). It is only necessary to send one set of comments. Identify comments with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday, and will be posted to the docket at <http://www.regulations.gov>.

II. Electronic Access

Persons with access to the Internet may obtain the proposed draft guidance document at <http://www.regulations.gov>.

Dated: August 29, 2014.

Leslie Kux,

Assistant Commissioner for Policy.

BILLING CODE 4164-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Ryan White HIV/AIDS Program, Special Projects of National Significance (SPNS), the Albert Einstein College of Medicine, Enhancing Access to and Retention in Quality HIV Care for Women of Color Initiative

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice of a deviation from competition requirements to award a program expansion supplement for the HIV/AIDS Bureau's (HAB's) Ryan White HIV/AIDS Program, Special Projects of National Significance (SPNS), the Albert Einstein College of Medicine, Enhancing Access to and Retention in Quality HIV Care for Women of Color Initiative.

SUMMARY: HRSA will be issuing a non-competitive award under the SPNS Program to current grantee, the Albert Einstein College of Medicine (Grant #5 H97HA15152-05-00), for approximately \$55,000 during the budget period September 1, 2014, to August 31, 2015. This will allow the Albert Einstein College of Medicine to cover the costs

associated with the publication of a special supplemental issue of the journal *AIDS Patient Care and STD's*, which will feature eight articles on findings from the Special Projects of National Significance (SPNS) Program Enhancing Access to and Retention in Quality HIV Care for Women of Color Initiative. A program expansion supplement will allow SPNS wider dissemination of the most current best practices and lessons learned for the care of women of color living with HIV. The journal *AIDS Patient Care and STD's* has a combined 18,200 print and online subscribers, and the publisher will also extend online distribution to readers of the *Journal of Women's Health* (approximately 32,000 additional subscribers) and to attendees of the Congress on Women's Health (approximately 800 physicians and nurses).

SUPPLEMENTARY INFORMATION: Intended Recipient of the Award: Albert Einstein College of Medicine (Grant #5 H97HA15152-05-00). The amount of the noncompetitive award is \$55,000.

Authority: Section 2692 of the Public Health Service Act, 42, U.S.C. 300ff-111.

CFDA Number: 93.145.

Period of Supplemental Funding: September 1, 2014, through August 31, 2015.

Justification: SPNS Program is charged with the development of innovative models of HIV treatment, in order to respond to emerging needs of those with HIV/AIDS, including clients served by the Ryan White HIV/AIDS Program. A major goal of the SPNS Program is to disseminate findings and innovative models of care and treatment to the broader HIV provider community and encourage replication of successful models/interventions.

The SPNS Women of Color Initiative began September 1, 2009, and involved 11 demonstration site grantees and an Evaluation and Technical Assistance Center—the Albert Einstein College of Medicine. The Initiative enrolled 921 women of color living with HIV/AIDS in its multi-site evaluation; the findings from this initiative can improve the care of women living with HIV through the identification of best practices and lessons learned. The Albert Einstein College of Medicine has served as the Evaluation and Technical Assistance Center for the SPNS Women of Color Initiative from September 1, 2009, to the present. As such, this grantee has been tasked to lead and coordinate all dissemination activities for this initiative, and is best-positioned to lead and facilitate the publication process. This program expansion would allow

for the publication of findings from the Women of Color Initiative in the journal of *AIDS Patient Care and STD's* in support of HRSA's and HAB's commitment to ensuring that comprehensive and effective models of care and treatment are available to underserved, un/under-insured populations, including those from communities of color.

FOR FURTHER INFORMATION CONTACT:

Adan Cajina, MSc, Branch Chief, Special Programs of National Significance (SPNS), Division of Training and Capacity Development, HAB/HRSA, 5600 Fishers Lane, Rockville, Maryland 20857, by email at acajina@hrsa.gov, or by phone at (301) 443-3180.

Dated: August 27, 2014.

Mary K. Wakefield,

Administrator.

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Ryan White HIV/AIDS Program, AIDS Education and Training Centers, The University of Washington, Northwest AIDS Education and Training Center

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

ACTION: Notice of a deviation from competition requirements to award a program expansion supplement for the HIV/AIDS Bureau's (HAB) Ryan White HIV/AIDS Program, AIDS Education and Training Centers (AETC) (H4A), The University of Washington, Northwest AIDS Education and Training Center (NWAETC).

SUMMARY: HRSA will be issuing a non-competitive award under the AETC Program, to current grantee, the University of Washington NWAETC, for approximately \$250,239 during the budget period July 1, 2014, to June 30, 2015. This will allow the University of Washington NWAETC to develop a unique and flexible HIV distance learning curriculum that can be used in a variety of health care settings by a variety of health care providers. This on-line curriculum will enhance our ability to reach and so increase the numbers of health care providers skilled in delivering HIV/AIDS care and treatment at a time when there is a greater demand for these professionals—especially primary care physicians.
