The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain integrated circuit devices and products containing the same by reason of infringement of various claims of U.S. Patent Nos. 8,264,049; 8,264,044; 8,258,550; 8,258,547; 8,217,428; 8,258,552; 8,030,689.
