

completed copy of that form for the period of time the bank or savings association owns the loan.

Sections 22.7 and 172.7 require a national bank, Federal savings association, or its loan servicer, if a borrower has not obtained flood insurance, to notify the borrower to obtain adequate flood insurance coverage or the bank, savings association, or servicer will purchase flood insurance on the borrower's behalf.

Sections 22.9 and 172.9 require a national bank or Federal savings association making, extending, increasing, or renewing a loan secured by a building or a mobile home located in a special flood hazard area to advise the borrower and the loan servicer that the property is located in a special flood hazard area; provide a description of the flood insurance purchase requirements; and provide information regarding the availability of insurance under the National Flood Insurance Program and of Federal assistance in the event of a declared Federal flood disaster. In lieu of providing the borrower notice, a national bank or Federal savings association may obtain a satisfactory written assurance from a seller or lessor that, within a reasonable time before completion of the sale or lease transaction, the seller or lessor provided such notice to the purchaser or lessee. For the period of time the national bank or Federal savings association owns the loan, the national bank or Federal savings association must maintain a record of the borrower's and loan servicer's receipts of these notices and, where appropriate, the written assurance from the seller or the lessor.

Sections 22.10 and 172.10 require a national bank or Federal savings association making, increasing, extending, renewing, selling, or transferring a loan secured by a building or a mobile home located in a special flood hazard area to notify FEMA of the identity of the servicer and of any change in servicers.

These information collection requirements ensure national bank and Federal savings association compliance with applicable Federal law, further bank or savings association safety and soundness, provide protections for financial institutions and the public, and further public policy interests.

- 12 CFR 27.4 states that the OCC may require a national bank to maintain a Fair Housing Inquiry/Application Log found in Appendix III to part 27 if there is reason to believe that the bank is engaging in discriminatory practices or if analysis of the data compiled by the

bank under the Home Mortgage Disclosure Act (12 U.S.C. 2801 *et seq.*) and 12 CFR part 203 indicates a pattern of significant variation in the number of home loans between census tracts with similar incomes and home ownership levels differentiated only by race or national origin.

- 12 CFR 27.5 requires a national bank to maintain the information required by § 27.3 for 25 months after the bank notifies the applicant of action taken on an application or after withdrawal of an application.

- 12 CFR 27.7 requires a national bank to submit the information required by §§ 27.3 and 27.4 to the OCC upon its request prior to a scheduled examination using the Monthly Home Loan Activity Format form in Appendix I to part 27 and the Home Loan Data Form in Appendix IV to part 27.
