

lower left of the Council Web site (<http://www.gulfcouncil.org>). The username and password are both "gulfguest".

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Kathy Pereira at the Council Office (see **ADDRESSES**), at least 5 working days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: September 16, 2014.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

RIN 0648-XD508

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Pacific Fishery Management Council (Pacific Council) will convene a meeting of its Coastal Pelagic Species Management Team (CPSMT). The meeting will be a work session to further develop the draft environmental assessment for Pacific sardine harvest faction.

DATES: The CPSMT meeting will be held Wednesday, October 8 through Thursday, October 9, 2014. The meeting will begin the first day at 12 p.m. and the second day at 8 a.m. The meeting will conclude each day at 5 p.m. or

when business for the day has been completed.

ADDRESSES: The meeting will be held in the Pacific Conference Room of the NOAA Southwest Fisheries Science Center, 8901 La Jolla Shores Dr., La Jolla, CA 92037-1508.

FOR FURTHER INFORMATION CONTACT: Kerry Griffin, Staff Officer; telephone: (503) 820-2409.

SUPPLEMENTARY INFORMATION: The purpose of the meeting is to further develop the draft environmental assessment (EA) on Pacific sardine harvest fraction. This will include continued work on the description of the alternatives, work on the analysis of the alternatives, as well as other parts of the EA.

The Council initiated a process to use a new temperature index, as well as a new temperature-recruitment relationship, in sardine harvest control rules. The analysis in the draft EA will help the Council make an informed decision, and to take final action, currently scheduled for the November 2014 meeting.

Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the CPSMT's intent to take final action to address the emergency.

Special Accommodations

This meeting room is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Dale Sweetnam, (858) 546-7170, at least 5 days prior to the meeting date.

Dated: September 17, 2014.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

National Oceanic and Atmospheric Administration

RIN 0648-XD505

Endangered Species; File No. 18688

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application.

SUMMARY: Notice is hereby given that NMFS Pacific Islands Regional Office, 1601 Kapiolani Boulevard, Suite 1110, Honolulu, HI 96814 [Responsible Party: Michael Tosatto], has applied in due form for a permit to take hawksbill (*Eretmochelys imbricata*), olive ridley (*Lepidochelys olivacea*), leatherback (*Dermochelys imbricata*), loggerhead (*Caretta caretta*) and green (*Chelonia mydas*) sea turtles for purposes of scientific research.

DATES: Written, telefaxed, or email comments must be received on or before October 22, 2014.

ADDRESSES: The application and related documents are available for review by selecting "Records Open for Public Comment" from the *Features* box on the Applications and Permits for Protected Species (APPS) home page, <https://apps.nmfs.noaa.gov>, and then selecting File No. 18688 from the list of available applications.

These documents are also available upon written request or by appointment in the Permits and Conservation Division, Office of Protected Resources, NMFS, 1315 East-West Highway, Room 13705, Silver Spring, MD 20910; phone (301) 427-8401; fax (301) 713-0376.

Written comments on this application should be submitted to the Chief, Permits and Conservation Division:

- By email to NMFS.Pr1Comments@noaa.gov (include the File No. in the subject line of the email);
- By facsimile to (301) 713-0376; or
- At the address listed above.

Those individuals requesting a public hearing should submit a written request to the Chief, Permits and Conservation Division at the address listed above. The request should set forth the specific reasons why a hearing on this application would be appropriate.

FOR FURTHER INFORMATION CONTACT: Amy Hapeman or Courtney Smith, (301) 427-8401.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*) and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR parts 222-226).

The applicant requests a five-year permit to conduct research on sea turtles bycaught in three longline fisheries in the Pacific Ocean around Hawaii and American Samoa to assess sea turtle post-hooking survival, movements, and ecology in pelagic habitats. Researchers would photograph, measure, biopsy sample, and flipper tag

sea turtles prior to release and collect carcasses, tissues and parts from dead sea turtles. A subset of loggerhead and leatherback sea turtles also may receive a satellite transmitter before release. Take numbers for these activities would be consistent with the number of turtle captures analyzed in the incidental take statement of the biological opinion prepared for each fishery.

Dated: September 16, 2014.

Julia Harrison,

*Chief, Permits and Conservation Division,
Office of Protected Resources, National
Marine Fisheries Service.*

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XA626

Marine Mammals; File No. 16111

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of permit amendment.

SUMMARY: Notice is hereby given that John Calambokidis, Cascadia Research Collective, Waterstreet Building, 218½ West Fourth Avenue, Olympia, WA 98501, has been issued a minor amendment to Scientific Research Permit No. 16111-01.

ADDRESSES: The amendment and related documents are available for review upon written request or by appointment in the Permits and Conservation Division, Office of Protected Resources, NMFS, 1315 East-West Highway, Room 13705, Silver Spring, MD 20910; telephone: (301) 427-8401; fax: (301) 713-0376.

FOR FURTHER INFORMATION CONTACT: Rosa L. González or Courtney Smith, telephone: (301) 427-8401.

SUPPLEMENTARY INFORMATION: The requested amendment has been granted under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*) and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

The original permit (No. 16111), issued on July 12, 2012 (77 FR 44218) authorized Mr. Calambokidis to study cetaceans and pinnipeds in the eastern North Pacific, from Central America to Alaska. The research is a continuation of long-term studies designed to

examine marine mammal abundance, distribution, population structure, habitat use, social structure, movement patterns, diving behavior, and diet. Focal species are blue (*Balaenoptera musculus*), fin (*B. physalus*), humpback (*Megaptera novaeangliae*), eastern gray (*Eschrichtius robustus*), sperm (*Physeter macrocephalus*), and beaked (*Mesoplodon* spp.) whales. An additional 15 cetacean species and five pinniped species may be studied, including the endangered sei whale (*B. borealis*), endangered Southern Resident stock of killer whales (*Orcinus orca*), and the threatened eastern stock of Steller sea lions (*Eumetopias jubatus*). Vessel research includes photo-identification, behavioral focal follows, underwater observations and filming, hydroacoustic prey determination, passive acoustic recording, breath sampling, biopsy sampling, collection of sloughed skin, and attachment of suction cup and dart tags. Aerial surveys may be conducted to study abundance and distribution, and to track tagged animals. Ground surveys may be conducted for population counts and scat collection to study harbor seals (*Phoca vitulina*) and other pinnipeds at haul-out areas in Puget Sound and throughout Washington. Permit No. 16111 expires on July 15, 2017. The minor amendment (No. 16111-01) changes the manner in which marine mammals may be taken but does not change any other terms or conditions of the permit. It authorizes the use of archival tags via dart-attachment in addition to currently permitted LIMPET (Low Impact Minimally Percutaneous Electronic Transmitter) tags. It also authorizes aerial takes from small unmanned aerial systems (sUAS), primarily small quadcopters, for some of the same purposes described in the original application including obtaining size measurements of whales, identifying scarring/markings, and monitoring behavior especially in response to ship noise and Navy sonar. The permit expires July 15, 2017.

Dated: September 12, 2014.

BILLING CODE 3510-22-P

DEPARTMENT OF DEFENSE

Department of the Air Force

[Docket ID USAF-2014-0027]

Privacy Act of 1974; System of Records

AGENCY: Department of the Air Force, DoD.

ACTION: Notice to delete a System of Records.

SUMMARY: The Department of the Air Force is deleting a system of records notice in its existing inventory of record systems subject to the Privacy Act of 1974, as amended. The system notice is entitled "F036 AETC V, Potential Faculty Rating System".

DATES: Comments will be accepted on or before October 22, 2014. This proposed action will be effective the day following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

* *Federal Rulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

* *Mail:* Federal Docket Management System Office, 4800 Mark Center Drive, East Tower, 2nd Floor, Suite 02G09, Alexandria, VA 22350-3100.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Mr. Charles J. Shedrick, Department of the Air, Air Force Privacy Act Office, Office of Warfighting Integration and Chief Information Officer, ATTN: SAF/CIO A6, 1800 Air Force Pentagon, Washington, DC 20330-1800, or by phone at (571) 256-2515.

SUPPLEMENTARY INFORMATION: The Department of the Air Force systems of records notices subject to the Privacy Act of 1974, as amended, has been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT**. The Department of the Air Force proposes to delete a system of records notice from its inventory of record systems subject to the Privacy Act of 1974 as amended.
