\*Teleconference.

The purpose of the subcommittees is  
to provide advice on the scientific  
quality, budget, safety and mission  
relevance of investigator-initiated  
research proposals submitted for VA  
merit review consideration. Proposals

submitted for review involve a wide  
range of medical specialties within the  
general areas of biomedical, behavioral  
and clinical science research.

The subcommittee meetings will be  
closed to the public for the review,  
discussion, and evaluation of initial and  
renewal research proposals. However,  
the JBL/CS SMRB teleconference  
meeting will be open to the public.  
Members of the public who wish to  
attend the open JBL/CS SMRB  
teleconference may dial 1-800-767-  
1750, participant code 95562. Members  
of the public who wish to make a  
statement at the JBL/CS SMRB meeting  
must notify Dr. Alex Chiu via email at  
[alex.chiu@va.gov](mailto:alex.chiu@va.gov) by December 10, 2014.

The closed subcommittee meetings  
involve discussion, examination, and  
reference to staff and consultant

critiques of research proposals.  
Discussions will deal with scientific  
merit of each proposal and  
qualifications of personnel conducting  
the studies, the disclosure of which  
would constitute a clearly unwarranted  
invasion of personal privacy.  
Additionally, premature disclosure of  
research information could significantly  
frustrate implementation of proposed  
agency action regarding the research  
proposals. As provided by subsection  
10(d) of Public Law 92-463, as amended  
by Public Law 94-409, closing the  
subcommittee meetings is in accordance  
with Title 5 U.S.C. 552b(c) (6) and  
(9)(B).

Those who would like to obtain a  
copy of the minutes from the closed  
subcommittee meetings and rosters of  
the subcommittee members should

contact Alex Chiu, Ph.D., Manager,  
Merit Review Program (10P9B),
