BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5763-N-10]

Implementation of The Privacy Act of 1974, as Amended; Amendment to Existing Systems of Records, Computerized Homes Underwriting Management System—Development of New System of Records, Loan Application Management System

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Amendment/New Systems of Records.

SUMMARY: HUD is amending the Computerized Homes Underwriting Management System (CHUMS) to reflect changes to the following sections, which involve lenders and program administrators of Federal Housing Administrations (FHA) Mortgage Insurance Programs: first time homebuyers, Home Equity Conversion Mortgages for home owners, 203(k) for the rehabilitation of existing properties, Veteran Affairs certified FHA loans, and other FHA mortgage insurance programs. The changes to the amended

system of records are to the "Purposes" and "Routine Uses of Records Maintained in the System" captions. Additionally, HUD proposes to provide notice of a new system, the Loan Application Management System (LAMS), which is expected to replace CHUMS. Both proposals reflect the present status of the information contained in the systems and new data sharing practices, as well as enhancements to improve program services. The existing scope, objectives, and business processes in place for this program remain unchanged. A more detailed description of the present system is contained in notice "Purpose" caption. This notice supersedes the previous notice published in the **Federal Register** for CHUMS on December 28, 2010 at 73 FR 81635.

DATES: Effective Date: The proposed modification will be effective immediately, with the exception of the Department's proposal to create a new system and revise its routine uses, which will become effective 30 days after publication of this notice, on November 19, 2014, unless comments are received that would result in a contrary determination.

Comments Due Date: November 19, 2014.

ADDRESSES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of the General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Room 10276, Washington, DC 20410-0500. Communication should refer to the above docket number and title. A copy of each communication submitted will be available for public inspection and copying between 8:00 a.m. and 5:00 p.m. weekdays at the above address.

FOR FURTHER INFORMATION CONTACT: Donna Robinson-Staton, Chief Privacy Officer, 451 Seventh Street SW., Washington, DC 20410 (Attention: Capitol View Building, 4th Floor), telephone number: (202) 402-8073. [The above telephone number is not a toll free number.] A telecommunications device for hearing- and speech-impaired persons (TTY) is available by calling the Federal Information Relay Service's toll-free telephone number (800) 877-8339.

SUPPLEMENTARY INFORMATION: This system of records is maintained by HUD's Office of Single Family Housing and includes HUD employees', program participants', and business partners' personally identifiable information that is retrieved by a name or unique identifier. Hence, this system of records encompasses programs and services of the Department's data collection and

management practices. Publication of this notice allows HUD to satisfy its reporting requirement and keep an up-to-date accounting of its system of records publications. The amended and new systems will incorporate Federal privacy requirements and HUD policy requirements. The Privacy Act provides certain safeguards for an individual against an invasion of personal privacy by requiring Federal agencies to protect records contained in an agency system of records from unauthorized disclosure, by ensuring that information is current and collected only for its intended use, and by providing adequate safeguards to prevent misuse of such information. Additionally, this demonstrates the Department's focus on industry best practices in protecting the personal privacy of the individuals covered by this system notification. This notice states the name and location of the record system, the authority for and manner of its operations, the categories of individuals that it covers, the type of records that it contains, the sources of the information for the records, the routine uses made of the records and the type of exemptions in place for the records. In addition, this notice includes the business address of the HUD officials who will inform interested persons of the procedures whereby they may gain access to and/or request amendments to records pertaining to them.

This publication does meet the threshold requirements for a new and amended system and a report was submitted to the Office of Management and Budget (OMB), the Senate Committee on Homeland Security and Governmental Affairs, and the House Committee on Government Reform as instructed by Paragraph 4c of Appendix I to OMB Circular No. A-130, "Federal Agencies Responsibilities for Maintaining Records About Individuals," July 25, 1994 (59 FR 37914).
