SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that

is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Student Assistance General Provisions—Subpart A—General.

OMB Control Number: 1845-0107.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Individuals or Households, Private Sector, State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 2,645,033.

Total Estimated Number of Annual Burden Hours: 448,252.

Abstract: The final regulations require an institution to report for each student who, during an award year, began attending or completed a program that leads to gainful employment in a recognized occupation the following information; information to identify the student and the location of the institution the student attended, the Classification of Instructional Program (CIP) code for each occupational training program that each student either began or completed, the completion date, the amount of private education loans and institutional financing incurred by each graduate, and whether a student matriculated into a higher credentialed program of study at the same or another institution. In addition, the final regulations will require the following disclosures to prospective students: the name and Standard Occupational Classification (SOC) code for each occupational training program and links to the Department of Labor's O-Net site to obtain occupation profile data using a SOC code, or a representative sample of SOC codes for graduates of its program; information about on-time graduation rates for students completing the program; the total amount of tuition and fees charged for completing the program within the normal time it takes to complete the course requirements as published in the institution's catalog, along with the typical costs for books

and supplies, and the cost of room and board, if applicable, including providing a Web link or access to the program cost information the institution makes available to all enrolled and prospective students under section 668.43(a). Beginning July 1, 2011, the placement rate information as determined under the institution's accrediting agency or State requirements, or the placement rate that will be determined in the future by the National Center for Education Statistics (NCES) and reported to the institution. In addition, the institution must disclose the median loan debt incurred by students who completed the program as provided by the Secretary, as well as any other information about the program provided by the Secretary. The institution must identify separately the median title IV, Higher Education Act (HEA) loan debt and the median loan debt from the private education loan debt and institutional financing plans. For each program, the institution must include the accreditation and licensing information provided to all currently enrolled as well as prospective students as posted on the institution's Web site.

Dated: December 5, 2014.

DEPARTMENT OF ENERGY**Proposed Agency Information Collection****AGENCY:** U.S. Department of Energy.**ACTION:** Notice and Request for OMB Review and Comment.

SUMMARY: The Department of Energy (DOE) has submitted to the Office of Management and Budget (OMB) for clearance, a proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995. The proposed collection will enable DOE to administer the voluntary Superior Energy Performance™ (SEP) certification program for industrial facilities. This request for information consists of a voluntary data collection process for SEP participation: To enroll industrial facilities, manage and track certification cycles, and relay the costs and benefits of SEP certification to industry. DOE will use this information collection to recognize SEP-certified facilities for their accomplishments. In addition, DOE will use this information

to evaluate the costs and benefits of SEP certification, which is consistent with the Executive Order—Accelerating Investment in Industrial Energy Efficiency (August 2012). This information will also help DOE identify strategies to reduce the cost of SEP participation.

DATES: Comments regarding this collection must be received on or before January 9, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202–395–4718.

ADDRESSES: Written comments should be sent to the, DOE Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10102, 735 17th Street NW., Washington, DC 20503. [FE Docket No. 14–179–LNG]

Pieridae Energy (USA) Ltd.; Application for Long-Term Authorization To Export Domestically Produced Natural Gas Through Canada to Non-Free Trade Agreement Countries After Liquefaction to Liquefied Natural Gas for a 20-Year Period

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice of receipt of an application (Application) filed on October 24, 2014, by Pieridae Energy (USA) Ltd. (Pieridae US) ¹ requesting long-term, multi-contract authorization to export domestically produced natural gas in a volume up to 292 billion cubic feet per year (Bcf/yr), or approximately 0.8 Bcf per day (Bcf/d). Pieridae US proposes to export domestically produced natural gas as follows: (i) To export the natural gas to Canada at the United States–Canada border near Baileyville, Maine, at the juncture of the Maritimes & Northeast (M&N) U.S. Pipeline and the M&N Canada Pipeline; ² (ii) to use a portion of the U.S.-sourced natural gas as feedstock in a Canadian natural gas liquefaction facility called the Goldboro LNG Project, to be developed by one or more Pieridae affiliates and to be located at the Goldboro Industrial Park in Guysborough County, Nova Scotia, Canada; and (iii) to export a portion of the U.S.-sourced natural gas in the form of liquefied natural gas (LNG) by vessel from Canada to one or more countries with which the United States does not have a free trade agreement (FTA) requiring national treatment for trade in natural gas and with which trade is not

¹ Pieridae US, a corporation formed under the laws of Canada, states that it is filing the Application in its capacity as the sole general partner of Goldboro LNG Limited Partnership II. Both have their principal place of business in Halifax, Nova Scotia, Canada.

² In the Application, Pieridae US also requests authorization to export LNG to any nation that currently has, or in the future may enter into, a FTA requiring national treatment for trade in natural gas (FTA countries). DOE/FE will review Pieridae US’s request for a FTA export authorization separately pursuant to NGA § 3(c), 15 U.S.C. 717b(c).

prohibited by U.S. law or policy (non-FTA countries). Only Pieridae US’s proposed export of LNG produced from U.S.-sourced natural gas to non-FTA countries is subject to this Notice. Pieridae US states that it is not proposing to construct, expand, or modify any pipeline facilities in the United States in conjunction with its proposed export of natural gas. Pieridae US requests this non-FTA export authorization for a 20-year term to commence on the earlier of the date of first export or seven years from the date the authorization is granted. Pieridae US requests this authorization on its own behalf.³ The Application was filed under section 3 of the Natural Gas Act (NGA). Additional details can be found in Pieridae US’s Application, posted on the DOE/FE Web site at: http://energy.gov/sites/prod/files/2014/10/f18/14_179_lng.pdf.

Protests, motions to intervene, notices of intervention, and written comments are invited.

DATES: Protests, motions to intervene or notices of intervention, as applicable, requests for additional procedures, and written comments are to be filed using procedures detailed in the Public Comment Procedures section no later than 4:30 p.m., Eastern time, February 9, 2015.

ADDRESSES:

Electronic Filing by email: fergas@hq.doe.gov.

Hand Delivery or Private Delivery Services (e.g., FedEx, UPS, etc.): U.S. Department of Energy (FE–34), Office of Oil and Gas Global Security and Supply, Office of Fossil Energy, Forrestal Building, Room 3E–042, 1000 Independence Avenue SW., Washington, DC 20585.

FOR FURTHER INFORMATION CONTACT:

Larine Moore or Benjamin Nussdorf, U.S. Department of Energy (FE–34), Office of Oil and Gas Global Security and Supply, Office of Fossil Energy, Forrestal Building, Room 3E–042, 1000 Independence Avenue SW., Washington, DC 20585, (202) 586–9478; (202) 586–7893.

³ The cover letter to the Application indicates Pieridae US’s interest in exporting the proposed volume of LNG on its own behalf and on behalf of other entities. The Application, however, indicates (at 12–13) that the natural gas to be exported will be owned by Pieridae US. Accordingly, the Application has been construed as a request for Pieridae US to export LNG solely on its own behalf, not as agent for other entities.
