[Docket No. USCG-2014-1020]

Guidance on Maritime Cybersecurity Standards

AGENCY: Coast Guard, DHS.

ACTION: Notice of public meeting and request for comments.

SUMMARY: The U.S. Coast Guard announces a public meeting to be held in Washington, DC, to receive comments on the development of cybersecurity assessment methods for vessels and facilities regulated by the Coast Guard. This meeting will provide an opportunity for the public to comment on development of security assessment methods that assist vessel and facility owners and operators identify and address cybersecurity vulnerabilities that could cause or contribute to a Transportation Security Incident. The Coast Guard will consider these public comments in developing relevant guidance, which may include standards, guidelines, and best practices to protect maritime critical infrastructure.

DATES: The meeting will be held on Thursday, January 15, 2015 from 9:00 a.m. to 12:00 p.m. The deadline to reserve a seat is Monday, January 5, 2015. All written comments and related material must either be submitted to the online docket via <http://www.regulations.gov> on or before

January 29, 2015 or reach the Docket Management Facility by that date.

ADDRESSES: The public meeting will be held at the Department of Transportation Headquarters, Oklahoma Room, 1200 New Jersey Avenue SE., Washington, DC 20590; the building telephone number is 202-366-1035. The building is accessible by taxi, public transit, and privately-owned conveyance. However, public parking in the vicinity of the building is extremely limited. Meeting participants are encouraged to use mass transit.

SUPPLEMENTARY INFORMATION:

Background and Purpose

On February 12, 2013, the President signed Executive Order (E.O.) 13636 "Improving Critical Infrastructure Cybersecurity." The E.O. provided the national approach to protecting critical infrastructure cybersecurity and directed federal agencies to assess cyber risk to critical infrastructure. Pursuant to E.O. 13636, the National Institute of Standards and Technology (NIST) developed a voluntary Preliminary Cybersecurity Framework,¹ followed by the February 12, 2014 publication of a Framework for Improving Critical Infrastructure Cybersecurity² (Cybersecurity Framework). The Cybersecurity Framework serves to help industry stakeholders reduce their cyber risk and vulnerabilities. The Coast Guard encourages vessel and facility owners and operators to adopt the Cybersecurity Framework voluntarily to achieve a minimum standard of cybersecurity protection.

Section 7(d) of E.O. 13636 states that in developing the Cybersecurity Framework, the Director of NIST "shall engage in an open public review and comment process" and consult with stakeholders including owners and operators of critical infrastructure.

¹ The Preliminary Cybersecurity Framework is available for viewing online at <http://www.nist.gov/itl/upload/preliminary-cybersecurity-framework.pdf>.

² The Framework for Improving Critical Infrastructure Cybersecurity is available for viewing online at <http://www.nist.gov/cyberframework/upload/cybersecurity-framework-021214.pdf>.

Similarly, the Coast Guard will host this public meeting to engage the public and obtain comments to assist in the drafting of procedures to enable operators of vessels and facilities regulated pursuant to the Maritime Transportation Security Act of 2002 (MTSA) to identify and address cybersecurity risks that could result in a Transportation Security Incident (TSI).³ This may include standards, guidelines, and best practices to protect maritime critical infrastructure. The meeting will include the following topics:

(1) Identify: What cyber dependent systems perform vital functions that are addressed in MTSA requirements, such as access control, cargo control, and communications?

(2) Protect: What standards are suitable to ensure the integrity of these systems?

(3) Detect: What procedures are available to owners and operators to detect cyber intrusions that could compromise the integrity of vital systems or contribute to a TSI?

(4) Respond: What response and notification procedures can minimize the consequences of cyber events?

(5) Recover: What procedures can owners and operators take to promote rapid maritime transportation system recovery after a cyber incident?

In addition to the topics outlined above, the Coast Guard is posting several supplemental documents to the online docket for this notice. The supplemental documents provide additional background information that may be useful for the public to consider in formulating comments. We encourage individuals interested in participating in the public meeting and/or submitting comments to the docket to review the supplemental documents. To view the supplemental documents and other documents mentioned in this notice as available in the docket, please follow the instructions described above in the **ADDRESSES** section. If you do not have access to the Internet, you may view the docket online by visiting the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Coast Guard has an agreement with the Department of Transportation to use the Docket Management Facility.

³ A *Transportation Security Incident* is defined in 33 CFR 101.105 to mean a security incident resulting in a significant loss of life, environmental damage, transportation system disruption, or economic disruption in a particular area.

The Coast Guard encourages the public to participate by submitting comments either in person at the meeting or in writing. The public may submit written comments to Coast Guard personnel at the meeting. The Coast Guard will post these comments to the online public docket. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Privacy Act

Anyone can search the electronic form of comments received into any of the dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). There is a Privacy Act notice regarding the public dockets for review in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

Information on Services for Individuals With Disabilities

For information on facilities or services for individuals with disabilities or to request special assistance at the public meeting, contact LT Josephine Long at the telephone number or email address indicated under the **FOR FURTHER INFORMATION CONTACT** section of this notice.

BILLING CODE 9110-04-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-50]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh

Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense.

Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-6672 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their
