SUPPLEMENTARY INFORMATION:

I. Abstract

Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that the Department of Commerce (DOC) programs are effective and meet our

customers' needs we use a generic clearance process to collect qualitative feedback on our service delivery. This collection of information is necessary to enable DOC to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving service delivery. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with the programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between DOC and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance.

This request is an extension of the 'generic fast-track' process offered to all government agencies by OMB in 2010. Fast-track means each request receives approval five days after submission, if no issues are brought to DOC's attention by OMB within the five days. Since 2011, DOC has successfully submitted 68 generic requests to OMB.

[Docket No. 140113033-4033-01]

BE-125: Quarterly Survey of Transactions in Selected Services and Intellectual Property With Foreign Persons

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Notice of reporting requirements.

SUMMARY: By this Notice, the Bureau of Economic Analysis (BEA), Department of Commerce, is informing the public that it is conducting the mandatory survey titled Quarterly Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons (BE-125). This mandatory survey is conducted under the authority of the International Investment and Trade in Services Survey Act.

SUPPLEMENTARY INFORMATION: This Notice constitutes legal notification to all United States persons (defined

below) who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, the survey. Reports are due 45 days after the end of the U.S. person's fiscal quarter, except for the final quarter of the U.S. person's fiscal year when reports must be filed within 90 days. This notice is being issued in conformance with the rule BEA issued in 2012 (77 FR 24373) establishing guidelines for collecting data on international trade in services and direct investment through notices, rather than through rulemakings. The BE-125 survey forms and instructions are available on the BEA Web site at www.bea.gov/surveys/iussurv.htm.

Definitions

(a) *Person* means any individual, branch, partnership, associated group, association, estate, trust, corporation, or other organization (whether or not organized under the laws of any State), and any government (including a foreign government, the United States Government, a State or local government, and any agency, corporation, financial institution, or other entity or instrumentality thereof, including a government-sponsored agency).

(b) *United States person* means any person resident in the United States or subject to the jurisdiction of the United States. United States, when used in a geographic sense, means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, and all territories and possessions of the United States.

(c) *Foreign person* means any person resident outside the United States or subject to the jurisdiction of a country other than the United States.

Who Must Report: Reports are required from each U.S. person who: (a) Had sales of covered services or intellectual property to foreign persons that exceeded \$6 million for the previous fiscal year or are expected to exceed that amount during the current fiscal year, or (b) had purchases of covered services or intellectual property from foreign persons that exceeded \$4 million for the previous fiscal year or are expected to exceed that amount during the current fiscal year. Because the thresholds are applied separately to sales and purchases, the reporting requirements may apply only to sales, only to purchases, or to both sales and purchases. Entities required to report will be contacted individually by the Bureau of Economic Analysis (BEA). Entities not contacted by BEA have no reporting responsibilities.

What To Report: The survey is intended to collect information on U.S. international trade in selected services and intellectual property for which information is not collected on other BEA surveys and is not available to BEA from other sources. The survey is intended to collect information on transactions in the covered services and intellectual property occurring in the last quarter of calendar year 2013 and in first three quarters of the calendar year 2014.

How To Report: Reports can be filed via BEA's electronic reporting system at www.bea.gov/efile. Additionally, copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, can be obtained from the BEA Web site at www.bea.gov/surveys/iussurv.htm. Inquiries can be made to BEA at (202) 606-5588.

When To Report: Reports are due to BEA 45 days after the end of the fiscal quarter, except for the final quarter of the reporter's fiscal year when reports must be filed within 90 days.

Paperwork Reduction Act Notice: This data collection has been approved by the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act and assigned control number 0608-0067.
