## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Substance Abuse and Mental Health Services Administration

#### Announcement of Requirements and Registration for Offender Reintegration Toolkit Challenge

**Authority:** 15 U.S.C. 3719.

**AGENCY:** SAMHSA, HHS.

**ACTION:** Notice.

**SUMMARY:** (1) What action is being taken?

The Substance Abuse and Mental Health Services Administration (SAMHSA) has issued an Offender Reintegration Toolkit Challenge to help reduce recidivism and promote the public health and safety of communities.

(2) Why is this action necessary?

Studies show that people leaving the criminal justice system have a higher proportion of substance use and mental disorders than the general population. Treatment and recovery support, along with housing and employment are necessary to help newly released individuals address substance use and mental disorders and to keep them from reoffending. Easy to find information and resources can help them (and their family and friends) as they return to their communities.

(3) What is the objective of the challenge?

To reduce recidivism and provide resources and support for individuals leaving the criminal justice system and re-entering their communities.

(4) What is the intended effect of this action?

Family, friends, parole officers, and community service staff will help ex-offenders connect to resources for housing, employment, healthcare, and treatment and recovery for substance use and mental health disorders. By connecting them to necessary supports,

ex-offenders will successfully transition back into their communities and live successful, healthy lives.

SAMHSA is seeking solutions to this problem through cost-effective, portable, technology-based products that effectively reach a diverse population of ex-offenders being released from jail or prison, and the friends, family, parole officers, case managers, and service center staff who help them. Technology-based products may include, but are not limited to, web applications, mobile apps, and Web sites.

**DATES:** The challenge starts on June 1, 2015 10:00 a.m. ET. The challenge ends on July 29, 2015 11:59 p.m. ET.

**Basis Upon Which Winner Will Be Selected**

A. All eligible Submissions will be judged by an expert panel of impartial judges (the “Judges”) selected by the Sponsor. The internal panel will judge these Submissions on the criteria

identified in these Official Rules to select finalist Submissions. Finalist Submissions will then be judged by the expert judging panel determined by the Sponsor. The judging panel is not required to test the Application and may choose to judge based solely on the text description and video provided in the Submission. The Sponsor and the Administrator reserve the right to divide and assign the criteria identified below in these Official Rules among different members of the internal and expert judging panels. The Sponsor and the Administrator reserve the right to substitute or modify the judging panel at any time for any reason.

B. All Judges shall be and remain fair and impartial. Any Judge may recuse him or herself from judging a Submission if the Judge, the Sponsor or the Administrator considers that it is inappropriate, for any reason, for the Judge to evaluate a specific Submission or group of Submissions.

C. A Contestant’s likelihood of winning will depend primarily on the number and quality of all of the Submissions, as determined by the Judges using the criteria in these Official Rules. The judging period is August 5, 2015 at 10:00 a.m. Eastern Time through August 14, 2015 at 11:59 p.m. Eastern Time (the “Judging Period”).

**D. Criteria:**

*Judging Criteria:*

(i) Quality of Performance (40 points) (includes how well the Application functions technically, and extent to which the Application responds to the Competition topic and target audience, and how thoroughly and clearly the solution utilizes the required assets);

(ii) Quality of User Experience (25 points) (includes visual aesthetic and ease of use);

(iii) Potential Impact (25 points) (includes the potential impact related to successfully informing target audiences about the resources available to them for employment, housing, treatment and recovery); and

(iv) Feasibility of Use (10 points) (includes how easily target audiences and members of the public can access and use the Application).

E. If deemed necessary by the judging panel, each of the top five finalists may be asked to participate in a virtual or in-person meeting with federal staff to discuss their Application and demonstrate its operation. The purpose of these meetings will be to further evaluate the Contestant’s product, provide any additional information to SAMHSA, and clarify any concerns or questions raised by the review panel.

F. Tie Breakers. In the event of a tie between two or more Submissions, the

tied Submission with the highest score in the first criterion listed above shall be deemed the higher scoring Submission. In the event any ties remain, this process will be repeated by comparing the tied Submissions' scores on the second, third, fourth, and fifth criterion listed above, respectively. If two or more Submissions are tied on all four criteria, the panel of Judges will vote on the tied submissions.
