

## ESTIMATED ANNUALIZED BURDEN HOURS AND COSTS—Continued

Type of respondent	Form name/form No.	Number of respondents	Number of responses per respondent	Total number of responses	Average burden per response (in hours)	Total annual burden (in hours)	Average hourly wage rate	Total annual respondent cost
Total .....	.....	28	.....	210	.....	392	.....	16,832.48

**Note:** The “Avg. Hourly Wage Rate” for each respondent includes a 1.4 multiplier to reflect a fully-loaded wage rate.

**Estimated Cost:** The estimated annual cost to respondents for the hour burden is \$16,832.48. There are no annual costs to respondents’ operations and maintenance costs for technical services. There are no annual start-up or capital costs. The cost to the Federal Government is \$79,665.90.

### Comments

Comments may be submitted as indicated in the **ADDRESSES** caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Dated: May 29, 2015.

[Docket ID FEMA–2014–0022]

### Technical Mapping Advisory Council

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Committee Management; Notice of Federal Advisory Committee Meeting.

**SUMMARY:** The Federal Emergency Management Agency (FEMA) Technical

Mapping Advisory Council (TMAC) will meet in person on June 23–24, 2015, in Silver Spring, MD. The meeting will be open to the public.

**DATES:** The TMAC will meet on Tuesday, June 23, 2015, from 12:45 p.m.–5:00 p.m., and Wednesday, June 24, 2015, from 12:30 p.m.–5:30 p.m., Eastern Daylight Savings Time (EDT). Please note that the meeting will close early if the TMAC has completed its business.

**ADDRESSES:** The meeting will be held at the National Oceanic and Atmospheric Administration (NOAA) headquarters conference center located at 1325 East-West Hwy, Silver Spring, 20910. Members of the public who wish to attend the meeting must register in advance by sending an email to [FEMA-TMAC@fema.dhs.gov](mailto:FEMA-TMAC@fema.dhs.gov) (attention Mark Crowell) by 11 p.m. EDT on Thursday, June 18, 2015. Members of the public must check in at the NOAA security desk and be escorted to the conference room on the second floor; photo identification is required.

For information on facilities or services for individuals with disabilities or to request special assistance at the meeting, contact the person listed in **FOR FURTHER INFORMATION CONTACT** below as soon as possible.

To facilitate public participation, members of the public are invited to provide written comments on the issues to be considered by the TMAC, as listed in the “Supplementary Information” section below. Associated meeting materials will be available at [www.fema.gov/TMAC](http://www.fema.gov/TMAC) for review by June 15, 2015. Written comments to be considered by the committee at the time of the meeting must be submitted and received by Thursday, June 18, 2015, identified by Docket ID FEMA–2014–0022, and submitted by one of the following methods:

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the instructions for submitting comments.
- **Email:** Address the email TO: [FEMA-RULES@fema.dhs.gov](mailto:FEMA-RULES@fema.dhs.gov) and CC: [FEMA-TMAC@fema.dhs.gov](mailto:FEMA-TMAC@fema.dhs.gov). Include the docket number in the subject line of the message. Include name and contact detail in the body of the email.
- **Mail:** Regulatory Affairs Division, Office of Chief Counsel, FEMA, 500 C

Street SW., Room 8NE, Washington, DC 20472–3100.

**Instructions:** All submissions received must include the words “Federal Emergency Management Agency” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

**Docket:** For docket access to read background documents or comments received by the TMAC, go to <http://www.regulations.gov> and search for the Docket ID FEMA–2014–0022.

A public comment period will be held on June 23, 2015, from 4:30 p.m. to 5:00 p.m. and again on June 24, 2015, from 3:30 to 4:00 p.m. Speakers are requested to limit their comments to no more than three minutes. The public comment period will not exceed 30 minutes. Please note that the public comment period may end before the time indicated, following the last call for comments. Contact the individual listed below to register as a speaker by close of business on Thursday, June 18, 2015.

### FOR FURTHER INFORMATION CONTACT:

Mark Crowell, Designated Federal Officer for the TMAC, FEMA, 1800 South Bell Street, Arlington, VA 22202, telephone (202) 646–3432, and email [mark.crowell@fema.dhs.gov](mailto:mark.crowell@fema.dhs.gov). The TMAC Web site is: <http://www.fema.gov/TMAC>.

**SUPPLEMENTARY INFORMATION:** Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. Appendix.

As required by the *Biggert-Waters Flood Insurance Reform Act of 2012*, the TMAC makes recommendations to the FEMA Administrator on: (1) How to improve, in a cost-effective manner, the (a) accuracy, general quality, ease of use, and distribution and dissemination of flood insurance rate maps and risk data; and (b) performance metrics and milestones required to effectively and efficiently map flood risk areas in the United States; (2) mapping standards and guidelines for (a) flood insurance rate maps, and (b) data accuracy, data quality, data currency, and data eligibility; (3) how to maintain, on an ongoing basis, flood insurance rate maps and flood risk identification; (4) procedures for delegating mapping

activities to State and local mapping partners; and (5)(a) methods for improving interagency and intergovernmental coordination on flood mapping and flood risk determination, and (b) a funding strategy to leverage and coordinate budgets and expenditures across Federal agencies. Furthermore, the TMAC is required to submit an annual report to the FEMA Administrator that contains: (1) A description of the activities of the Council; (2) an evaluation of the status and performance of flood insurance rate maps and mapping activities to revise and update Flood Insurance Rate Maps; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

The TMAC must also develop recommendations on how to ensure that flood insurance rate maps incorporate the best available climate science to assess flood risks and ensure that FEMA uses the best available methodology to consider the impact of the rise in sea level and future development on flood risk. The TMAC must collect these recommendations and present them to the FEMA Administrator in a future conditions risk assessment and modeling report.

Further, in accordance with the *Homeowner Flood Insurance Affordability Act of 2014*, the TMAC must develop a review report related to flood mapping in support of the National Flood Insurance Program (NFIP).

**Agenda:** On June 23, 2015, the TMAC members will discuss the Council's work process for preparation of the Annual Report and Future Conditions Report due in October 2015, and receive report outs from the following TMAC subcommittees: (1) Future Conditions; (2) Flood Hazard Risk Generation and Dissemination; and (3) Operations, Coordination, and Leveraging. A brief public comment period will take place prior to any votes. In addition, invited subject matter experts will brief TMAC members on FEMA's mapping program and the progress of FEMA's Flood Insurance Reform Flood Mapping Integrated Project Team (IPT) to date, and present a tribal perspective on the program.

On June 24, 2015, the TMAC members will (1) discuss the report outs from the TMAC subcommittees, (2) deliberate on content for the 2015 reports, and (3) discuss next steps for TMAC discussions and report development, including a vote on the annotated outlines for the Annual Report and Future Condition Report due in October 2015. A brief public comment period will take place prior to a vote. The full

agenda and related briefing materials will be posted for review by June 15, 2015 at <http://www.fema.gov/TMAC>.

Dated: May 29, 2015.

**W. Craig Fugate,**  
Administrator, Federal Emergency  
Management Agency.

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

[Docket ID FEMA-2015-0001; Internal Agency Docket No. FEMA-B-1513]

#### Changes in Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** Notice.

**SUMMARY:** This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR), in accordance with Title 44, Part 65 of the Code of Federal Regulations (44 CFR part 65). The LOMR will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings. For rating purposes, the currently effective community number is shown in the table below and must be used for all new policies and renewals.

**DATES:** These flood hazard determinations will become effective on the dates listed in the table below and revise the FIRM panels and FIS report in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in which to request through the

community that the Deputy Associate Administrator for Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

**ADDRESSES:** The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at [www.msc.fema.gov](http://www.msc.fema.gov) for comparison.

Submit comments and/or appeals to the Chief Executive Officer of the community as listed in the table below.

**FOR FURTHER INFORMATION CONTACT:** Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, FEMA, 500 C Street SW., Washington, DC 20472, (202) 646-4064, or (email) [Luis.Rodriguez3@fema.dhs.gov](mailto:Luis.Rodriguez3@fema.dhs.gov); or visit the FEMA Map Information eXchange (FMIX) online at [www.floodmaps.fema.gov/fhm/fmx\\_main.html](http://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** The specific flood hazard determinations are not described for each community in this notice. However, the online location and local community map repository address where the flood hazard determination information is available for inspection is provided.

Any request for reconsideration of flood hazard determinations must be submitted to the Chief Executive Officer of the community as listed in the table below.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

These flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact
