Submission for OMB Review; Comment Request

Title: Office of Refugee Resettlement Cash and Medical Assistance Program Quarterly Report on Expenditures and Obligations.

OMB No.: 0970-0407.

Description: The Office of Refugee Resettlement (ORR) reimburses, to the extent of available appropriations, certain non-federal costs for the provision of cash and medical assistance to refugees and other eligible persons, along with allowable expenses

for the administration of the refugee resettlement program at the State level. States, Wilson/Fish projects (alternative projects for the administration of the refugee resettlement program), and State Replacement Designees currently submit the ORR-2 Financial Status Report in accordance with 45 CFR part 92 and 45 CFR part 74. This proposed data collection would collect financial status data (*i.e.*, amounts of expenditures and obligations) broken down by the four program components: Refugee cash assistance, refugee medical assistance, health screening, and services for unaccompanied refugee minors as well as by program administration. This breakdown of financial status data on expenditures and obligations allows ORR to track program expenditures in greater detail to anticipate any funding issues and to meet the requirements of ORR regulations at 45 CFR 400.211 to collect these data for use in estimating annual costs of the refugee resettlement program. ORR must implement the methodology at 45 CFR 400.211 each

year after receipt of its annual appropriation to ensure that the appropriated funds will be adequate for assistance to entering refugees. The estimating methodology prescribed in the ORR regulations requires the use of actual past costs by program component. In the event that the

methodology indicates that appropriated funds are inadequate, ORR must take steps to reduce federal expenses, such as by limiting the number of months of eligibility for Refugee Cash Assistance and Refugee Medical Assistance. This proposed single-page report on expenditures and

obligations will allow ORR to collect the necessary data to ensure that funds are adequate for the projected need and thereby meet the requirements of both the Refugee Act and ORR regulations.

Respondents: State Governments, Wilson/Fish Alternative Projects, State Replacement Designees.
