

The area described contains approximately 10,359 acres.

The conveyance of the public land will be subject to valid existing rights and encumbrances of record, including but not limited to, rights-of-way for roads and public utilities.

On July 13, 2015, the above described land will be segregated from appropriation under the public land laws, including the mining laws, for up to two years from the date of the publication of the notice, subject to valid existing rights, but would remain subject to the sale provisions of the Federal Land Policy and Management Act. Until completion of the sale, the BLM is no longer accepting land use applications affecting the identified public land, except applications for the amendment of previously-filed right-of-way applications or existing authorizations to increase the term of the grants in accordance with 43 CFR 2807.15 and 2886.15. The segregative effect will terminate upon issuance of a patent, publication in the **Federal Register** of a termination of the segregation, or on Thursday, July 13, 2017, whichever occurs first, unless extended by the BLM State Director in accordance with 43 CFR 2711.1–2(d) prior to the termination date.

Public Comments: For a period until August 27, 2015 interested parties and the general public may submit comments concerning segregation of lands to be conveyed to the City, including notification of any encumbrances or other claims relating to the conveyed lands, to District Manager, Carson City District Office, at the above address. Comments transmitted via email will not be accepted. Comments will be available for public review at the BLM Carson City District Office, during regular business hours, except holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 2711.1–2.
