II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “Billing Instructions for NRC Cost Type Contracts.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment

period on this information collection on March 18, 2015 (80 FR 14172).

1. *The title of the information collection*: "Billing Instructions for NRC Cost Type Contracts."

2. *OMB approval number*: 3150-0109.

3. *Type of submission*: Extension.

4. *The form number if applicable*: None.

5. *How often the collection is required or requested*: Monthly and on occasion.

6. *Who will be required or asked to respond*: NRC Contractors.

7. *The estimated number of annual responses*: 1,506.

8. *The estimated number of annual respondents*: 41.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request*: 752.

10. *Abstract*: In administering its contracts, the NRC provides billing instructions for its contractors to follow in preparing invoices. These instructions stipulate the level of detail in which supporting data must be submitted for NRC review. The review of this information ensures that all payments made by the NRC for valid and reasonable costs are in accordance with the contract terms and conditions.

Dated at Rockville, Maryland, this 17th day of August, 2015.
