

enable HRSA to provide aggregate program data required by Congress under the Government Performance and Results Act (GPRA) of 1993. These measures cover the principal topic areas of interest to the Federal Office of Rural Health Policy (FORHP), including: (a) Access to care; (b) population demographics; (c) staffing; (d) consortium/network; (e) sustainability; and (f) benefits counseling process and outcomes. Several measures will be used for the Benefits Counseling Program. All measures will speak to

FORHP's progress toward meeting the goals set.

A 60-day **Federal Register** Notice was published in the **Federal Register** on June 1, 2015 (80 FR 31051). There were no comments.

Likely Respondents: The respondents would be recipients of the Rural Outreach Benefits Counseling grant funding.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time

needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Rural Outreach Benefits Counseling Grant Program Measures	10	1	10	2	20
Total	10	1	10	2	20

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meeting of the National Vaccine Advisory Committee

AGENCY: National Vaccine Program Office, Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that the National Vaccine Advisory Committee (NVAC) will hold a meeting September 9–10, 2015. The meeting is open to the public. However, pre-registration is required for both public attendance and public comment. Individuals who wish to attend the meeting and/or participate in the public comment session should register at <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>. Participants may also register by emailing nvpo@hhs.gov or by calling 202-690-5566 and providing their name, organization, and email address.

DATES: The meeting will be held on September 9–10, 2015. The meeting times and agenda will be posted on the

NVAC Web site at <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/> as soon as they become available.

ADDRESSES: U.S. Department of Health and Human Services, Hubert H. Humphrey Building, the Great Hall, 200 Independence Avenue SW., Washington, DC 20201.

The meeting can also be accessed through a live webcast the day of the meeting. For more information, visit <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>.

FOR FURTHER INFORMATION CONTACT: National Vaccine Program Office, U.S. Department of Health and Human Services, Room 715-H, Hubert H. Humphrey Building, 200 Independence Avenue SW., Washington, DC 20201. Phone: (202) 690-5566; email: nvpo@hhs.gov.

SUPPLEMENTARY INFORMATION: Pursuant to Section 2101 of the Public Health Service Act (42 U.S.C. 300aa-1), the Secretary of Health and Human Services was mandated to establish the National Vaccine Program to achieve optimal prevention of human infectious diseases through immunization and to achieve optimal prevention against adverse reactions to vaccines. The NVAC was established to provide advice and make recommendations to the Director of the National Vaccine Program on matters related to the Program's responsibilities. The Assistant Secretary for Health serves as Director of the National Vaccine Program.

During the September NVAC meeting, the Committee will hear updates on a number of Departmental and stakeholder activities that are working to strengthen our national immunization system. The Committee will hear an update on progress towards the Healthy People 2020 immunization goals, followed by presentations specifically examining progress towards the Healthy People 2020 goal to achieve 90% influenza vaccination coverage among healthcare personnel. In particular, the Committee will look at challenges and opportunities for helping improve influenza vaccination among healthcare personnel in long-term care settings.

The Committee also will hear about efforts to support global immunization including an introduction to a number of global immunization strategies currently under development such as an update to the CDC's Global Immunization Strategic Framework, the newly established USAID Immunization Blueprint for Action, and the Pan American Health Organization's proposed Regional Plan of Action on Immunization. In addition, the NVAC will hear a brief overview describing the success of efforts to develop the first Ebola vaccine.

The Committee will be presented with information on how data on state exemption laws is collected and used to inform studies on vaccination coverage and vaccine acceptance in specific populations. NVAC will also host a session continuing their discussions on vaccine confidence that will include

studies looking at how attitudes and beliefs about immunizations change over time. Finally, the Committee will be provided with information on local and federal efforts to help increase vaccine confidence in communities. More information on the meeting agenda will be posted prior to the meeting on the NVAC Web site: <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>.

Public attendance at the meeting is limited to the available space. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the National Vaccine Program Office at the address/phone listed above at least one week prior to the meeting. For those unable to attend in person, a live webcast will be available. More information on registration and accessing the webcast can be found at <http://www.hhs.gov/nvpo/nvac/meetings/upcomingmeetings/>.

Members of the public will have the opportunity to provide comments at the NVAC meeting during the public comment periods designated on the agenda. Public comments made during the meeting will be limited to three minutes per person to ensure time is allotted for all those wishing to speak. Individuals are also welcome to submit their written comments. Written comments should not exceed three pages in length. Individuals submitting written comments should email their comments to the National Vaccine Program Office (nvpo@hhs.gov) at least five business days prior to the meeting.

Dated: August 17, 2015.

Jennifer L. Gordon,

*Alternate Designated Federal Official,
National Vaccine Advisory Committee,
National Vaccine Program Office.*

Submission for OMB Review; 30-Day Comment Request; Surveys To Support an Evaluation of the National Human Genome Research Institute (NHGRI) Summer Workshop in Genomics (Short Course)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on March 17, 2015, Vol. 80, Page 13845 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Human Genome Research Institute (NHGRI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1,
