[Docket Number USCG–2013–0363]

Deepwater Port License Application: Liberty Natural Gas LLC, Port Ambrose Deepwater Port; Final Application Public Hearing and Final Environmental Impact Statement

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice of availability; notice of public hearing; request for comments.

SUMMARY: The Maritime Administration (MARAD) and the U.S. Coast Guard (USCG) announce: (1) The schedule and locations of public hearings; and (2) the availability of the Final Environmental Impact Statement (FEIS) for the Liberty Natural Gas LLC, Port Ambrose Liquefied Natural Gas Deepwater Port license application for the importation of natural gas.

The Port Ambrose application describes an offshore natural gas deepwater port facility that would be located 16.1 nautical miles southeast of Jones Beach, New York, 24.9 nautical miles east of Long Branch, New Jersey, and 27.1 nautical miles from the entrance to New York Harbor in a water depth of approximately 103 feet. The FEIS complies with the Deepwater Port Act of 1974, as amended (33 U.S.C. 1501 *et seq.*) (DWPA) and the National Environmental Policy Act (NEPA) (42 U.S.C. 4332(2)(C)), as implemented by the Council on Environmental Quality regulations (40 CFR 1500 to 1508).

MARAD and the USCG request public comments on the FEIS and the application.

Publication of this notice begins a 45-day comment period, requests public participation in the process, provides information on how to participate in the process and announces informational open houses and public hearings in New York and New Jersey. Pursuant to the criteria provided in the DWPA, both New Jersey and New York have been designated as Adjacent Coastal States (ACS) for this application.

Please note that this application is only for the construction and operation of a deepwater port that could only be used as a natural gas import facility. The considerable technical, operational and environmental differences between import and export operations for natural gas deepwater ports is such that any licensed deepwater port facility that proposed to convert from import to export operations would be required to submit a new license application (including application fee) and conform to all licensing requirements and regulations in effect at such time of application. In addition to payment of the application fee, licensing requirements include, but are not limited to, completion of an extensive environmental impact assessment which would include public participation and a financial responsibility review which would include public participation.

DATES: There will be a total of four public hearings held in connection with the application and the FEIS; two public hearings will be held in Long Beach, New York on November 2, 2015 and November 3, 2015, from 6:00 to 10:00 p.m.; and two public hearings will be held in Eatontown, New Jersey on November 4, 2015 and November 5, 2015, from 6:00 to 10:00 p.m. Each public hearing will be preceded by an open house from 4:30 to 5:30 p.m. The public hearing may end later than the stated time, depending on the number of persons wishing to speak. Additionally, materials submitted in response to the request for comments must reach the Docket Management Facility as detailed below, by close of business Monday, November 30, 2015, or 45 days after publication of this notice in the **Federal Register** whichever is later.

Federal and State agencies must also submit comments, recommended conditions for licensing, or letters of no objection by Monday, November 30, 2015, or 45 days after publication of this notice in the **Federal Register** whichever is later. Also, within 45 days following the final hearing, on or prior

to December 21, 2015, the Governor of New York and the Governor of New Jersey (ACS Governors) may approve, disapprove, or notify MARAD of inconsistencies with State programs relating to environmental protection, land and water use, and coastal zone management for which MARAD may ensure consistency by placing conditions on the license.

MARAD must issue a Record of Decision (ROD) to approve, approve with conditions, or deny the deepwater port license application, within 90 days following the final license hearing, on or prior to February 3, 2016.

ADDRESSES: The open houses and public hearings in Long Beach, New York will be held at the Long Beach Hotel, 405 East Broadway, Long Beach, New York, 11561; phone 516–544–4444. Free street parking is available, and the parking lot at the Long Island Railroad (LIRR) Long Beach Train Station, near Park Place and Park Avenue is available from 5:00 p.m. to 5:00 a.m. The City of Long Beach operates local bus public transportation services between the LIRR Long Beach Train Station and the Long Beach Hotel. The open houses and public hearings in Eatontown, New Jersey will be held at the Sheraton Eatontown Hotel, 6 Industrial Way East, Eatontown, NJ 07724; phone 732–542–6500.
