Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change Regarding a Change to the Reference Index of the Market Vectors Short High Yield Municipal Index ETF

October 16, 2015.

On August 27, 2015, NYSE Arca, Inc. filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to reflect a change to the reference index relating to the Market Vectors Short High Yield Municipal Index ETF. The proposed rule change was published for comment in the **Federal Register** on September 16, 2015.³ The Commission received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76062; File No. SR-OCC-2015-803]

Self-Regulatory Organizations; the Options Clearing Corporation; Notice of Filing of Advance Notice of and No Objection to the Options Clearing Corporation's Proposal To Enter a New Credit Facility Agreement

October 1, 2015.

Pursuant to Section 806(e)(1) of Title VIII of the Dodd-Frank Wall Street Reform and Consumer Protection Act entitled the Payment, Clearing, and Settlement Supervision Act of 2010 ("Clearing Supervision Act")¹ and Rule 19b-4(n)(1)(i)² under the Securities Exchange Act of 1934 ("Exchange Act"), notice is hereby given that, on September 10, 2015, The Options Clearing Corporation ("OCC") filed an advance notice (SR-OCC-2015-803) with the Securities and Exchange Commission ("Commission"). The advance notice is described in Items I and II below, which Items have been prepared by OCC. The Commission is publishing this notice to solicit comments on the advance notice from interested persons, and to provide notice that the Commission does not object to the changes set forth in the advance notice and authorizes OCC to implement those changes earlier than 60 days after the filing of the advance notice.

I. Clearing Agency's Statement of the Terms of Substance of the Advance Notice

This advance notice is filed by OCC in connection with a proposed change to its operations to replace an existing credit facility OCC maintains for the purposes of meeting obligations arising out of the default or suspension of a clearing member, in anticipation of a potential default by a clearing member, or the failure of a bank or securities or commodities clearing organization to perform its obligations due to its bankruptcy, insolvency, receivership or suspension of operations.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Advance Notice

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the advance notice and discussed any comments it received on the advance notice. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections A and B below, of the most significant aspects of these statements.

A. Clearing Agency's Statement on Comments on the Advance Notice Received From Members, Participants or Others

Written comments were not and are not intended to be solicited with respect to the advance notice and none have been received.

B. Advance Notice Filed Pursuant to Section 806(e) of the Clearing Supervision Act

(i) Description of Change

This advance notice is being filed in connection with a proposed change in the form of the replacement of a revolving credit facility that OCC maintains for a 364-day term for the purpose of meeting obligations arising out of the default or suspension of a clearing member, in anticipation of a potential default by a clearing member, or the failure of a bank or securities or commodities clearing organization to perform its obligations due to its bankruptcy, insolvency, receivership or suspension of operations. OCC's existing credit facility (the "Existing Facility") was implemented on October 7, 2014 through the execution of a Credit Agreement among OCC, JPMorgan Chase Bank, N.A. ("JP Morgan"), as administrative agent, and the lenders that are parties to the agreement from time to time. The Existing Facility provides short-term secured borrowings in an aggregate principal amount of \$2 billion but may be increased to \$3 billion if OCC so requests and sufficient commitments from lenders are received and accepted. To obtain a loan under the Existing Facility, OCC must pledge as collateral U.S. dollars or certain securities issued or guaranteed by the U.S. Government or the Government of Canada. Certain mandatory prepayments or deposits of additional collateral are required depending on changes in the collateral's market value. In connection with OCC's past implementation of the Existing Facility, OCC filed an advance notice with the Commission on September 11, 2014, and the Commission published a

notice of no objection on September 30, 2014.³

The Existing Facility is set to expire on October 6, 2015, and OCC is therefore currently negotiating the terms of a new credit facility (the "New Facility") on substantially similar terms as the Existing Facility, except that a new administrative agent, Bank of America, N.A. ("Bank of America"), has been selected and OCC anticipates that U.S. Bank National Association ("U.S. Bank") will act as collateral agent, joint lead arranger and joint book runner. Under the Existing Facility, both of these roles are performed by JP Morgan. OCC also anticipates that The Bank of Tokyo-Mitsubishi UFJ, Ltd. ("Bank of Tokyo Mitsubishi") will act as a back-up administrative agent and collateral agent as well as joint lead arranger and joint book runner. On September 9, 2015, OCC, Bank of America, Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), a joint lead arranger and book runner, U.S. Bank and Bank of Tokyo Mitsubishi executed a Commitment Letter with regard to the New Facility.

The terms and conditions applicable to the New Facility are set forth in the Summary of Terms and Conditions, which is not a public document.⁴ OCC has separately submitted a request for confidential treatment to the Commission regarding the Summary of Terms and Conditions, which is included in this filing as Exhibit 3. The conditions regarding the availability of the New Facility, which OCC anticipates will be satisfied on or before October 6, 2015, include the execution and delivery of (i) a credit agreement between OCC and the administrative agent, collateral agent and various lenders under the New Facility, (ii) a pledge agreement between OCC and the administrative agent or collateral agent, and (iii) such other documents as may be required by the parties. The definitive documentation concerning the New Facility is expected to be consistent with the Summary of Terms and Conditions and substantially similar to that concerning the Existing Facility, although it will include certain changes to accommodate the use of accounts at a new collateral agent and certain other changes as may be necessary regarding administrative and operational terms being finalized

³ See Securities Exchange Act Release No. 73257 (September 30, 2014), 79 FR 60214 (October 6, 2014) (SR-OCC-2014-806).

⁴ The Summary of Terms and Conditions for the New Facility clarifies certain terms regarding mandatory prepayments or deposits of additional collateral, which, as described above, are also features of the Existing Facility.
