

composition consistent with historic conditions, with spacing between seedlings of 18 to 30 feet.

- Create a control line on the outside edge of treatment areas where necessary to maintain fuel reductions with prescribed fire.

- Where appropriate, stumps of freshly cut conifers will be treated with an EPA-registered borate compound to prevent spread of *Heterobasidion* root disease.

- Trees or snags that are imminent hazards to the road and/or operations would be felled; trees that are felled outside the treatment buffer would be left onsite.

- No treatments are proposed within Wilderness.

- Additional Resource Protection Measures will be developed to address resource concerns for wildlife, watersheds, soils and other issues that are identified.

Fuels reduction treatment goals are to:

- Reduce downed logs to 10–20 tons per acre. Downed logs includes woody material >3-inches in diameter including fuels created by salvage and suppression actions.

- Reduce dead brush by 50–100%.

This project is within Wildland Urban Interface and as such is consistent with the Healthy Forest Restoration Act of 2003 (HFRA), which contains provisions to expedite hazardous fuels reduction and forest restoration projects on federal lands. Project authorized under HFRA are defined under Section 102(a) of the act and are designed to actively involve the public (Section 104(e) and (f) of the act). In an effort to provide for collaborative design of this project or alternatives, you are invited to participate in open public meetings at the following locations and times: Hyampom Community Center on November 30, 2015 at 5:00 p.m.; Weaverville Board of Supervisor's Chambers on December 1, 2015 at 5:00 p.m.; Trinity County Fairgrounds dining hall in Hayfork on December 2, 2015 at 5:00 p.m.; Ruth

Lake Community Services District Hall in Mad River on December 3, 2015; and, Burnt Ranch School on December 4, 2015 at 5:00 p.m. Additional project information is available on the project Web site: <http://www.fs.usda.gov/project/?project=48060>.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and alternative means of meeting the purpose and need.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the respondent with standing to participate in subsequent administrative review or judicial review. An Emergency Situation Determination will be requested for this project consistent with regulations at 36 CFR 218.21. An Emergency Situation Determination would eliminate the 30-day Objection period prior to a decision.

Call for Applications for the International Buyer Program Calendar Year 2017

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice and Call for Applications.

SUMMARY: In this notice, the U.S. Department of Commerce (DOC) International Trade Administration (ITA) announces that it will begin accepting applications for the International Buyer Program (IBP) for calendar year 2017 (January 1, 2017, through December 31, 2017). The announcement also sets out the objectives, procedures and application review criteria for the IBP. The purpose of the IBP is to bring international

buyers together with U.S. firms in industries with high export potential at leading U.S. trade shows. Specifically, through the IBP, the ITA selects domestic trade shows which will receive ITA assistance in the form of global promotion in foreign markets, provision of export counseling to exhibitors, and provision of matchmaking services at the trade show. This notice covers selection for IBP participation during calendar year 2017.

DATES: Applications for the IBP must be received by Friday, January 8, 2016.

ADDRESSES: The application form can be found at www.export.gov/ibp.

Applications may be submitted by any of the following methods: (1) Mail/Hand Delivery Service: International Buyer Program, Trade Promotion Programs, International Trade Administration, U.S. Department of Commerce, Ronald Reagan Building, 1300 Pennsylvania Ave. NW., Suite 800M—Mezzanine Level—Atrium North, Washington, DC 20004; (2) Facsimile: (202) 482–7800; or (3) email: IBP2017@trade.gov. Vidya Desai, Acting Director, International Buyer Program, Trade Promotion Programs, International Trade Administration, U.S. Department of Commerce, 1300 Pennsylvania Ave. NW., Ronald Reagan Building, Suite 800M—Mezzanine Level—Atrium North, Washington, DC 20004; Telephone (202) 482–2311; Facsimile: (202) 482–7800; Email: IBP2017@trade.gov.

SUPPLEMENTARY INFORMATION: The IBP was established in the Omnibus Trade and Competitiveness Act of 1988 (Pub. L. 100–418, codified at 15 U.S.C. 4724) to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The IBP emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. Shows selected for the IBP will provide a venue for U.S. companies

interested in expanding their sales into international markets.

Through the IBP, ITA selects U.S. trade shows with participation by U.S. firms interested in exporting that ITA determines to be leading international trade shows, for promotion in overseas markets by U.S. Embassies and Consulates. The DOC is authorized to provide successful applicants with assistance in the form of overseas promotion of the show; outreach to show participants about exporting; recruitment of potential buyers to attend the events; and staff assistance in setting up international trade centers at the events. Worldwide promotion is executed through ITA officers at U.S. Embassies and Consulates in more than 70 countries representing the United States' major trading partners, and also in Embassies in countries where ITA does not maintain offices.

The International Trade Administration (ITA) is accepting applications from trade show organizers for the IBP for trade events taking place between January 1, 2017, and December 31, 2017. Selection of a trade show is valid for one event, *i.e.*, a trade show organizer seeking selection for a recurring event must submit a new application for selection for each occurrence of the event. For events that occur more than once in a calendar year, the trade show organizer must submit a separate application for each event.

For the IBP in calendar year 2017, the ITA expects to select approximately 20 events from among the applicants. The ITA will select those events that are determined to most clearly meet the statutory mandate in 15 U.S.C. 4721 to promote U.S. exports, especially those of small- and medium-sized enterprises, and the selection criteria articulated below.

There is no fee required to submit an application. If accepted into the program for calendar year 2017, a participation fee of \$9,800 is required for shows of five days or fewer. For trade shows more than five days in duration, or requiring more than one International Trade Center, a participation fee of \$15,000 is required. For trade shows ten days or more in duration, and/or requiring more than two International Trade Centers, the participation fee will be determined by DOC and stated in the written notification of acceptance. It would be calculated on a full cost recovery basis. Successful applicants will be required to enter into a Memorandum of Agreement (MOA) with ITA within 10 days of written notification of acceptance into the program. The participation fee (by check or credit

card) is due within 30 days of written notification of acceptance into the program.

The MOA constitutes an agreement between ITA and the show organizer specifying which responsibilities for international promotion and export assistance services at the trade shows are to be undertaken by ITA as part of the IBP and, in turn, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the application and a copy of this **Federal Register Notice**. Applicants are encouraged to review the MOA closely as IBP participants are required to comply with all terms, conditions, and obligations in the MOA. Trade show organizer obligations include, but are not limited to, providing waived or reduced admission fees for international attendees who are participating in the IBP, the construction of an International Trade Center at the trade show, production of an export interest directory, and provision of complimentary hotel accommodations for DOC staff as explained in the MOA. One of the most important commitments is for the trade show organizer to: include in the terms and conditions of its exhibitor contracts provisions for the protection of intellectual property rights (IPR); to have procedures in place at the trade show to address IPR infringement which, at a minimum, provide information to help U.S. exhibitors procure legal representation during the trade show; and to agree to assist the DOC to reach and educate U.S. exhibitors on the Strategy Targeting Organized Piracy (STOP!), IPR protection measures available during the show, and the means to protect IPR in overseas markets, as well as in the United States. ITA responsibilities include, but are not limited to, the worldwide promotion of the trade show and, where feasible, recruitment of international buyers to that show, provision of on-site export assistance to U.S. exhibitors at the show, and the reporting of results to the show organizer.

Selection as an IBP partner does not constitute a guarantee by DOC of the show's success. IBP partnership status is not an endorsement of the show except as to its international buyer activities. Non-selection of an applicant for IBP partnership status should not be viewed as a determination that the event will not be successful in promoting U.S. exports.

Eligibility: All 2017 U.S. trade events are eligible to apply for IBP

participation through the show organizer.

Exclusions: Trade shows that are either first-time or horizontal (non-industry specific) events generally will not be considered.

General Evaluation Criteria: The ITA will evaluate shows to be International Buyer Program partners using the following criteria:

(a) **Export Potential:** The trade show promotes products and services from U.S. industries that have high export potential, as determined by DOC sources, including industry analysts' assessment of export potential, ITA best prospects lists and U.S. export statistics.

(b) **Level of International Interest:** The trade show meets the needs of a significant number of overseas markets and corresponds to marketing opportunities as identified by ITA. Previous international attendance at the show may be used as an indicator of such interest.

(c) **Scope of the Show:** The event offers a broad spectrum of U.S. made products and services for the subject industry. Trade shows with a majority of U.S. firms as exhibitors will be given priority.

(d) **U.S. Content of Show Exhibitors:** Trade shows with exhibitors featuring a high percentage of products produced in the United States or products with a high degree of U.S. content will be preferred.

(e) **Stature of the Show:** The trade show is clearly recognized by the industry it covers as a leading event for the promotion of that industry's products and services both domestically and internationally, and as a showplace for the latest technology or services in that industry.

(f) **Level of Exhibitor Interest:** U.S. exhibitors have expressed interest in receiving international business visitors during the trade show. A significant number of U.S. exhibitors should be seeking to begin exporting or to expand their sales into additional export markets.

(g) **Level of Overseas Marketing:** There has been a demonstrated effort by the applicant to market this event and prior related events. For this criterion, the applicant should describe in detail, among other information, the international marketing program to be conducted for the event, and explain how efforts should increase individual and group international attendance.

(h) **Logistics:** The trade show site, facilities, transportation services, and availability of accommodations at the site of the exhibition (*i.e.* International Trade Center, interpreters) are capable of accommodating large numbers of

attendees whose native language will not be English.

(i) *Level of Cooperation*: The applicant demonstrates a willingness to cooperate with the ITA to fulfill the program's goals and adhere to the target dates set out in the MOA and in the event timetables, both of which are available from the program office (see the **FOR FURTHER INFORMATION CONTACT** section above). Past experience in the IBP will be taken into account in evaluating the applications received.

(j) *Delegation Incentives*: The IBP Office will be evaluating the level and/or range of incentives offered to delegations and/or delegation leaders recruited by U.S. overseas Embassies and Consulates. Examples of incentives to international visitors and to organized delegations include: Special organized events, such as receptions, meetings with association executives, briefings, and site tours; and complimentary accommodations for delegation leaders (beyond those required in the MOA). Review Process: ITA will evaluate all applications received based on the criteria set out in this notice. Vetting will include soliciting input from ITA industry analysts, as well as domestic and international field offices, focusing primarily on the export potential, level of international interest, and stature of the show. In reviewing applications, ITA will also consider scheduling and sector balance in terms of the need to allocate resources to support selected events.

Application Requirements: Show organizers submitting applications for the 2017 IBP are requested to submit: (1) A narrative statement addressing each question in the application, Form OMB 0625–0143 (found at www.export.gov/ibp); (2) a signed statement that “The information submitted in this application is correct and the applicant will abide by the terms set forth in the Call for Applications for the 2017 International Buyer Program (January 1, 2017 through December 31, 2017);” and (3) two copies of the application: one copy of the application printed on company letterhead, and one electronic copy of the application submitted on a CD–RW (preferably in Microsoft Word® format), on or before the deadline noted above. There is no fee required to apply. Applications for the IBP must be received by Friday, January 8, 2016. ITA expects to issue the results of its review process in April 2016.

Legal Authority: The statutory program authority for the ITA to conduct the International Buyer Program is 15 U.S.C. 4724. The DOC has the legal authority to enter into MOAs

with show organizers under the provisions of the Mutual Educational and Cultural Exchange Act of 1961 (MECEA), as amended (22 U.S.C.s 2455(f) and 2458(c)). MECEA allows ITA to accept contributions of funds and services from firms for the purposes of furthering its mission.

The Office of Management and Budget (OMB) has approved the information collection requirements of the application to this program (Form OMB 0625–0143) under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (OMB Control No. 0625–0143). Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
