

Share for the Trusts and their respective NAVs, do commenters agree with the Exchange's assertions? Have commenters observed any problems with respect to the trading or valuation of FXE or FXY? For example, do commenters believe that the markets prices for these products closely track the underlying values of their portfolios?

7. Have commenters observed the Strategy being employed with respect to FXE or FXY, and if so, have commenters observed any deleterious effects of the Strategy?

8. The Exchange asserts that the Strategy is not available with asset classes other than exchange-traded products.<sup>25</sup> Do commenters agree with this assertion? If commenters believe that the Strategy is available for exchange-traded products, do commenters believe that certain exchange-traded products or types of exchange-traded products are more susceptible to the Strategy than others? For example, would an exchange-traded product be susceptible to Management Fee Decay if the returns on its portfolio exceeded its management fee? Does the nature of the assets held by an exchange-traded product affect its vulnerability to the alleged Strategy?

9. The Exchange states that the sponsor represents that, "because of large outstanding short positions in the shares . . . it is difficult to borrow shares, particularly for market participants that are not Authorized Participants that are seeking to engage in short selling for trading strategies other than the Strategy."<sup>26</sup> What are commenters' views of these assertions?

10. What are the prevailing securities lending rates that commenters have observed for shares of FXE and FXY? Do commenters have a view regarding whether the Strategy is viable under these observed securities lending rates?

11. The Exchange states that, according to the sponsor, "the ETF Loan Fee is not expected to negatively affect short selling generally, but rather only affect certain types of short selling activities conducted by certain market participants (namely the Strategy) at the expense of long investors."<sup>27</sup> What are commenters' views concerning this assertion? For example, what are commenters' views about the effect of the proposed rule change on investors who wish to express a bearish view on either the euro or the yen, or to hedge a long position in euros or yen, by

holding a short position in shares of the Trusts over some period of time?

12. The proposal would prohibit any holder of the Shares from lending its shares or from entering into an agreement to repurchase the shares unless the holder (a) self-reports to an agent of the sponsor of the Trusts and (b) remits a fee to that agent equal to the sponsor's management fee. What are commenters' views regarding the policy implications of permitting an issuer of securities to place such restrictions on the transfer of shares that it has issued in a public offering and that are listed and traded on a national securities exchange? In particular, are such restrictions consistent with Sections 6(b)(5) and 6(b)(8) of the Act? What are commenters' views on whether a fee based on self-reporting of lending or repurchase activity can be administered in a manner consistent with Section 6(b)(5) of the Act?

**AGENCY:** Securities and Exchange Commission ("Commission").

### Summary of the Application

1. The Adviser will serve as the investment adviser to the Funds pursuant to an investment advisory agreement with the Trust (the "Investment Management Agreement").<sup>1</sup> The Adviser will provide

the Funds with continuous and comprehensive investment management services subject to the supervision of, and policies established by, each Fund's board of trustees ("Board").<sup>2</sup> The Investment Management Agreement permits the Adviser, subject to the approval of the Board, to delegate to one or more sub-advisers (each, a "Sub-Adviser" and collectively, the "Sub-Advisers") the responsibility to provide the day-to-day portfolio investment management of each Fund, subject to the supervision and direction of the Adviser. The primary responsibility for managing the Funds will remain vested in the Adviser. The Adviser will hire, evaluate, allocate assets to and oversee the Sub-Advisers, including determining whether a Sub-Adviser should be terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit the Adviser, subject to Board approval, to hire certain Sub-Advisers pursuant to Sub-Advisory Agreements and materially amend existing Sub-Advisory Agreements without obtaining the shareholder approval required under Section 15(a) of the Act and Rule 18f–2 under the Act.<sup>3</sup> Applicants also seek an exemption from the Disclosure Requirements to permit a Fund to disclose (as both a dollar amount and a percentage of the Fund's net assets): (a) The aggregate fees paid to the Adviser and any Wholly-Owned Sub-Advisers; and (b) the aggregate fees paid to Sub-Advisers other than Affiliated Sub-Advisers and Wholly-Owned Sub-Advisers; and (c) the fee paid to each Affiliated Sub-Adviser (collectively, "Aggregate Fee Disclosure").

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the Application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Fund shareholders and notification about sub-advisory changes and

limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

<sup>2</sup> Certain Funds (each, a "Feeder Fund") may invest substantially all of their assets in a "Master Fund" pursuant to Section 12(d)(1)(E) of the Act.

<sup>3</sup> The requested relief will not extend to any Sub-Adviser, other than a Wholly-Owned Sub-Adviser, that is an affiliated person, as defined in Section 2(a)(3) of the Act, of a Fund, a Feeder Fund or the Adviser, other than by reason of serving as a sub-adviser to one or more of the Funds ("Affiliated Sub-Adviser"). A "Wholly-Owned Sub-Adviser" is (1) an indirect or direct "wholly owned subsidiary" (as such term is defined in Section 2(a)(43) of the Act) of the Adviser for that Fund, or (2) a sister company of the Adviser for that Fund that is an indirect or direct wholly-owned subsidiary of the same company that, indirectly or directly, wholly owns the Adviser.

enhanced Board oversight to protect the interests of the Funds' shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the Application, the Advisory Agreements will remain subject to shareholder approval, while the role of the Sub-Advisers is substantially similar to that of individual portfolio managers, so that requiring shareholder approval of Sub-Advisory Agreements would impose unnecessary delays and expenses on the Funds. Applicants believe that the requested relief from the Disclosure Requirements meets this standard because it will improve the Adviser's ability to negotiate fees paid to the Sub-Advisers that are more advantageous for the Funds.

For the Commission, by the Division of Investment Management, under delegated authority.
