SUPPLEMENTARY INFORMATION: The purpose of these surveys is to assess the level of service DTIC provides to its current customers. The surveys will provide information on the level of overall customer satisfaction and on customer satisfaction with several attributes of service which impact the level of overall satisfaction. The objectives of the survey are to help DTIC (1) gauge the level of satisfaction among users and (2) identify possible areas for improving our products and services. The surveys are designed to assist in evaluating the following knowledge objectives:

- To improve customer retention.
- To determine the perceived quality of products, service, and customer care.
- To indicate trends in products, services, and customer care.
- To benchmark DTIC's customer satisfaction results with other Federal government agencies.

Title; Associated Form; and OMB Number: Customer Satisfaction Surveys—Generic Clearance; OMB Control Number 0704-0403.

Needs and Uses: The information collection requirement is necessary to assess the level of service the DTIC provides to its current customers. The surveys will provide information on the level of overall customer satisfaction as well as on customer satisfaction with several attributes of service that impact the level of overall satisfaction. These customer satisfaction surveys are required to implement Executive Order 12862, "Setting Customer Service Standards." Respondents are DTIC registered users who are components of the DoD, military services, other Federal Government Agencies, U.S. Government contractors, and universities involved in federally funded research. The information obtained by these surveys will be used to assist agency senior management in determining agency business policies and processes that should be selected for examination, modification, and reengineering from the customer's perspective. These surveys will also provide statistical and demographic basis for the design of follow-on surveys. Future surveys will be used to assist monitoring of changes in the level of customer satisfaction overtime.

Charter Renewal of Department of Defense Federal Advisory Committees

AGENCY: Department of Defense.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that it is amending the charter for the Air University Board of Visitors ("the Board").

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: The Board's charter is being renewed in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102-3.50(d). The Board's charter and contact information for the Board's Designated Federal Officer (DFO) can be found at <http://www.facadatabase.gov/>.

The Board provides the Secretary of Defense and the Deputy Secretary of Defense, through the Secretary of the Air Force, independent advice and recommendations on educational, doctrinal, and research policies and activities of the Air University.

The Board is comprised of no more than 15 members who are eminent authorities in the fields of air power, defense, management, leadership, and academia. All members of the Board are appointed to provide advice on behalf of the Government on the basis of their best judgment without representing any particular point of view and in a manner that is free from conflict of interest. Except for reimbursement of official Board-related travel and per diem, Board members serve without compensation.

The DoD, when necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board. Currently, the Secretary of the Air Force has approved one permanent subcommittee to the Board, the Air Force Institute of Technology (AFIT) Subcommittee. The AFIT Subcommittee is composed of no more than 15

members. The primary focus of the Subcommittee is to provide advice and recommendations to the Board concerning Department of the Air Force engineering and technology graduate programs.

The public or interested organizations may submit written statements to Board membership about the Board's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Board. All written statements shall be submitted to the DFO for the Board, and this individual will ensure that the written statements are provided to the membership for their consideration.

Dated: April 11, 2016.
