"Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Description: Under 12 CFR 5.55, the OCC will review the information submitted by a Federal saving association in its application or notice requesting approval to issue a capital distribution to determine whether the Federal savings association's request is in accordance with existing statutory and regulatory criteria. In addition, the information provides the OCC with a mechanism for monitoring reductions in capital since these distributions may place the Federal savings association at risk.
