DEPARTMENT OF LABOR

Employment and Training Administration

Comment Request for Information Collection for Form ETA–232, Domestic Agricultural In-Season Wage Report and Form ETA–232A, Wage Survey Interview Record, Extension With Revisions

AGENCY: Employment and Training Administration (ETA), Department of Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (Department), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 [44 U.S.C. 3506(c)(2)(A)]. This program helps ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, ETA is soliciting comments concerning the collection of data for Form ETA–232, *Domestic Agricultural In-Season Wage Report* and Form ETA–232A, *Wage Survey Interview Record*. Both forms exist under OMB Control No. 1205–0017, and both expire September 20, 2016. These forms are used by the State Workforce Agencies to collect wage information from agricultural employers.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before July 5, 2016.

ADDRESSES: Submit written comments to Brian Pasternak, National Director of Temporary Programs, Office of Foreign Labor Certification, Box 12–200, Employment & Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW., Washington, DC 20210. Telephone number: 202–693–3010 (this is not a toll-free number). Individuals with hearing or speech impairments may access the telephone number above via TTY by

calling the toll-free Federal Information Relay Service at 1–877–889–5627 (TTY/TDD). Fax: 202–693–2768. Email: ETA.OFLC.Forms@dol.gov subject line: ETA–232. A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed above.

SUPPLEMENTARY INFORMATION:

I. Background

This information collection is required by the Wagner-Peyser Act, codified at 20 CFR part 653, which covers the requirements for the acceptance and handling of intrastate and interstate job clearance orders seeking workers to perform agricultural or food processing work on a less than year-round basis. Section 653.501(d)(4) states, in pertinent part, that employers must assure that the “wages and working conditions are not less than the prevailing wages and working conditions among similarly employed agricultural workers in the area of intended employment or the applicable Federal or State minimum wage, whichever is higher.”

This collection is also required by regulations for the temporary employment of alien agricultural workers in the United States (20 CFR part 655, subpart B) promulgated under section 218 of the Immigration and Nationality Act (INA), as amended, which require employers to pay covered workers at least the adverse effect wage rate in effect at the time the work is performed, the prevailing hourly wage or piece rate, the agreed-upon collective bargaining wage, or the legal Federal or State minimum wage rate, whichever is highest, unless special procedures apply to the occupation. *See* 20 CFR 655.120(a).

The vehicle for establishing the prevailing wage rate is Form ETA–232, *The Domestic Agricultural In-Season Wage Report*. This Report contains the prevailing wage finding based on data collected by the States from employers in a specific crop area using the Form ETA–232A, *Wage Survey Interview Record*. In addition, the State Workforce Agencies (SWAs) collect information from agricultural employers to determine prevailing, normal, accepted or common employment practices for a specific occupational classification as required by 20 CFR 653.501(d)(3).

II. Review Focus

The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including

whether the information will have practical utility;

- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility, and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

In order to meet its statutory responsibilities under the INA, the Department needs to extend an existing collection of information pertaining to wage rates for various crop activities.

Type of Review: extension with revisions.

NATIONAL SCIENCE FOUNDATION

Proposal Review; Notice of Meetings

In accordance with the Federal Advisory Committee Act (Pub. L. 92–463, as amended), the National Science Foundation (NSF) announces its intent to hold proposal review meetings throughout the year. The purpose of

these meetings is to provide advice and recommendations concerning proposals submitted to the NSF for financial support. The agenda for each of these meetings is to review and evaluate proposals as part of the selection process for awards. The review and evaluation may also include assessment of the progress of awarded proposals. The majority of these meetings will take place at NSF, 4201 Wilson Blvd., Arlington, Virginia 22230.

These meetings will be closed to the public. The proposals being reviewed include information of a proprietary or confidential nature, including technical information; financial data, such as salaries; and personal information concerning individuals associated with the proposals. These matters are exempt under 5 U.S.C. 552b(c), (4) and (6) of the Government in the Sunshine Act. NSF will continue to review the agenda and merits of each meeting for overall compliance of the Federal Advisory Committee Act.

These closed proposal review meetings will not be announced on an individual basis in the **Federal Register**. NSF intends to publish a notice similar to this on a quarterly basis. For an advance listing of the closed proposal review meetings that include the names of the proposal review panel and the time, date, place, and any information on changes, corrections, or cancellations, please visit the NSF Web site: <http://www.nsf.gov/events/>. This information may also be requested by telephoning, 703/292–8687.

Dated: May 2, 2016.
