The special requirements listed in 33 CFR 165.1332(b) apply to the activation and enforcement of these safety zones. All vessel operators who desire to enter the safety zone must obtain permission from the Captain of the Port or their Designated Representative by contacting the Coast Guard Sector Puget Sound Joint Harbor Operations Center (JHOC) on VHF Ch 13 or Ch 16 or via telephone at (206) 217–6002.

The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

This notice of enforcement is issued under authority of 33 CFR 165.1332 and 5 U.S.C. 552(a). In addition to the publication of this document in the **Federal Register**, the Coast Guard will provide the maritime community with extensive advanced notification of enforcement of these safety zones via the Local Notice to Mariners and marine information broadcasts on the day of the events.

Dated: June 27, 2016.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the Shallowbag Bay in Manteo, North Carolina. This action is necessary to provide the safety of mariners on navigable waters to protect the life and property of the maritime public and spectators from the hazards posed by aerial fireworks display. Entry into or movement within the safety zone during the enforcement period is prohibited without approval of the Captain of the Port.

DATES: This rule is effective from 9 p.m. on July 4, 2016, through 10:30 p.m. on July 5, 2016. The safety zone created by this rule will be subject to enforcement from 9 p.m. to 10:30 p.m. on July 4, 2016. The safety zone will also be subject to enforcement from 9 p.m. to 10:30 p.m. on July 5, 2016, if the fireworks display is postponed because of adverse weather.

II. Background Information and Regulatory History

On July 4, 2016, fireworks will be launched from a barge located in Shallowbag Bay in Manteo, North Carolina as part of the Manteo July 4th Celebration. The Captain of the Port North Carolina is establishing a temporary safety zone on specified waters of Shallowbag Bay within a 200-yard radius of a barge anchored in approximate position 35°54'31" N., longitude 075°39'46" W. (NAD 1983). This safety zone will be effective and

enforced from 9 p.m. to 10:30 p.m. on July 4, 2016 with a rain date being July 5, 2016 from 9 p.m. to 10:30 p.m. Access to the safety zone will be restricted during the specified dates and times. On April 26, 2016, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone, Shallowbag Bay; Manteo, NC (81 FR 24521). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended May 11, 2016, we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Given the date of the fireworks display, it is impracticable to delay the effective date of this rule beyond July 4, 2016.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port North Carolina (COTP) has determined that potential hazards associated with the aerial fireworks on July 4, 2016 or July 5, 2016 will be a safety concern for anyone within a 200-yard radius of a barge anchored in approximate position 35°54'31" N., longitude 075°39'46" W. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published April 26, 2016. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 9 p.m. to 10:30 p.m. on July 4, 2016 with a rain date being July 5, 2016 from 9 p.m. to 10:30 p.m. The safety zone will cover all navigable waters within 200 yards radius of a barge anchored in approximate position 35°54'31" N., longitude 075°39'46" W. in Shallowbag Bay in Manteo, NC. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled 9 p.m. to 10:30 p.m. fireworks display. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and

Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget.

The primary impact of these regulations will be on limiting all vessels wishing to transit the affected waterways during enforcement of the safety zone on the waters of Shallowbag Bay within a 200-yard radius of a barge anchor in approximate position 35°54'31" N., longitude 075°39'46" W. on July 04, 2016 from 9 p.m. to 10:30 p.m. with a rain date being July 5, 2016 from 9 p.m. to 10:30 p.m. Although these regulations prevent traffic from transiting a portion of Shallowbag Bay during this event, that restriction is limited in duration, affects only a limited area, and will be well publicized to allow mariners to make alternative plans for transiting the affected area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone to limit all vessels within a 200 yard radius of a barge anchor in approximate position 35°54'31" N., longitude 075°39'46" W. on July 4, 2016 from 9 p.m. to 10:30 p.m. with a rain date being July 5, 2016 from 9 p.m. to 10:30 p.m. to protect life and property of mariners from the dangers associated with aerial fireworks. It is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0131 to read as follows:

§ 165.T05–0131 Safety Zone, Shallowbag Bay; Manteo, North Carolina.

(a) *Definitions.* For the purposes of this section, *Captain of the Port* means the Commander, Sector North Carolina. *Representative* means any Coast Guard commissioned, warrant or petty officer who has been authorized to act on the behalf of the Captain of the Port.

(b) *Location.* The following area is a safety zone: All waters of Shallowbag Bay within a 200 yard radius of a barge anchored in position 35°54'31" N., longitude 075°39'46" W. (NAD 1983).

(c) *Regulations.* (1) The general regulations in § 165.23 apply to the area described in paragraph (b) of this section.

(2) Persons or vessels requesting entry into or passage through any portion of the safety zone must first request authorization from the Captain of the Port, or a designated representative. The Captain of the Port or his designated representative can be contacted at telephone number (910) 343–3882 or by radio on VHF Marine Band Radio, channels 13 and 16.

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

(e) *Enforcement period.* This section will be enforced from 9 p.m. to 10:30 p.m. on July 4, 2016, or a rain date of July 5, 2016, unless cancelled earlier by the Captain of the Port.

Dated: June 9, 2016.

P.J. Hill,

Captain, U.S. Coast Guard, Captain of the Port North Carolina.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good
