FEDERAL MARITIME COMMISSION

[Docket No. 16-15]

World Imports, Ltd., World Imports Chicago, LLC, and World Imports South, LLC v. OEC Group New York; Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed with the Federal Maritime Commission (Commission) by World Imports, Ltd., World Imports Chicago, LLC, and World Imports South, LLC (collectively "World Imports"), hereinafter "Complainants," against OEC Group New York ("OEC"), hereinafter "Respondent." Complainants state that they are corporations "formerly engaged in the business of buying furniture wholesale and selling it to retail distributors." Complainant alleges that Respondent is a New York corporation and a "freight forwarder/logistics provider" providing non-vessel-operating common carrier services.

Complainants allege that Respondent "was in possession of multiple landed shipments of merchandise for delivery" to Complainants but failed to release those goods on the basis of freight charges owed to Respondent for goods Respondent had "previously delivered and unconditionally released." Further Complainant alleges that Respondent has "transmogrified what would have been an unsecured claim in World Imports' bankruptcy proceedings into a secured maritime lien." Complainant alleges that Respondent has violated section 10(d)(1) of the Shipping Act, 46 U.S.C. 41102(c), which provides that a common carrier "may not fail to establish, observe, and enforce just and reasonable regulations and practices relating to or connected with receiving, handling, storing, or delivering property."

Complainant requests the following relief: "an order be made commanding OEC to: (1) Cease and desist from the aforesaid violations; (2) establish and put in force such practices as the Commission determines to be lawful and reasonable; (3) to pay to World Imports by way of reparations for the unlawful conduct herein described the sum of \$172,075.50, with interest and attorney's fees or such other sum as the Commission may determine to be proper as an award of reparation; (4) to reimburse World Imports any sum it may be ordered to pay to OEC as a secured creditor in World Imports' bankruptcy case, insofar as such sums reflect charges, fees, or the like demanded in violation of Section (10)(d)(1); and (5) that such other and

further order or orders be made as the Commission determines to be proper in the premises.”

The full text of the complaint can be found in the Commission’s Electronic Reading Room at www.fmc.gov/16-15.

This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding officer in this proceeding shall be issued by July 14, 2017, and the final decision of the Commission shall be issued by January 29, 2018.

Office of Federal High-Performance Green Buildings; Green Building Advisory Committee; Request for Membership Nominations

AGENCY: Office of Federal High-Performance Green Buildings, General Services Administration (GSA).

ACTION: Notice of solicitation of nominations for membership.

SUMMARY: The Administrator of the GSA established the Green Building Advisory Committee on June 20, 2011 (76 FR 118) pursuant to Section 494 of the Energy Independence and Security Act of 2007 (42 U.S.C. 17123, or EISA), in accordance with the provisions of the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. App. 2). As the two-year commitments of some members of the Committee are expiring, this notice solicits additional qualified candidates for membership.

DATES: *Effective:* July 20, 2016.

FOR FURTHER INFORMATION CONTACT: Mr. Ken Sandler, Office of Federal High Performance Green Buildings, GSA, 202–219–1121.

SUPPLEMENTARY INFORMATION:

Background

The Green Building Advisory Committee (hereafter, “the Committee”) provides advice to GSA as a mandatory Federal advisory committee, as specified in EISA and in accordance with the provisions of FACA. Under this authority, the Committee advises GSA on how the Office of Federal High-Performance Green Buildings can most effectively accomplish its mission. Extensive information about the

Committee, including current members, is available on GSA’s Web site at <http://www.gsa.gov/gbac>.

Membership requirements: The EISA statute authorizes the Committee and identifies the categories of members to be included. EISA names 10 Federal agencies and offices to be represented on the Committee, and GSA works directly with these agencies to identify their qualified representatives. This notice is focused exclusively on non-Federal members. EISA provides that, in addition to its required Federal members, the Committee shall include “other relevant agencies and entities, as determined by the Federal Director.” These are to include at least one representative of each of the following categories:

- “(i) State and local governmental green building programs;
- (ii) Independent green building associations or councils;
- (iii) Building experts, including architects, material suppliers, and construction contractors;
- (iv) Security advisors focusing on national security needs, natural disasters, and other dire emergency situations;
- (v) Public transportation industry experts; and
- (vi) Environmental health experts, including those with experience in children’s health.”

EISA further specifies: “the total number of non-Federal members on the Committee at any time shall not exceed 15.”

Member responsibilities: Approved Committee members will be appointed to terms of either 2 or 4 years with the possibility of membership renewals as appropriate. Membership is limited to the specific individuals appointed and is non-transferrable. Members are expected to attend all meetings in person, review all Committee materials, and actively provide their advice and input on topics covered by the Committee. Committee members will not receive compensation or travel reimbursements from the Government except where need has been demonstrated and funds are available.

Solicitation for members: This notice provides an opportunity for individuals to present their qualifications and apply for an open seat on the Committee. GSA will ask Committee members whose terms are expiring to re-apply if they are interested in continuing to serve on the Committee. GSA will review all applications and determine which candidates are likely to add the most value to the Committee based on the criteria outlined in this notice.

At a minimum, prospective members must have:

- At least 5 years of high-performance green building experience, which may include a combination of project-based, research and policy experience.
- Academic degrees, certifications and/or training demonstrating green building and related sustainability and real estate expertise.
- Knowledge of Federal sustainability and energy laws and programs.
- Proven ability to work effectively in a collaborative, multi-disciplinary environment and add value to the work of a committee.
- Qualifications appropriate to specific statutory requirements (listed above).

No person who is a Federally-registered lobbyist may serve on the Committee, in accordance with the Presidential Memorandum “Lobbyists on Agency Boards and Commissions” (June 18, 2010).

Nomination process for Advisory Committee appointment: There is no prescribed format for the nomination. Individuals may nominate themselves or others. A nomination package shall include the following information for each nominee: (1) A letter of nomination stating the name and organizational affiliation(s) of the nominee, membership capacity he/she will serve (see statutory categories above), nominee’s field(s) of expertise, and description of interest and qualifications; (2) A professional resume or CV; and (3) Complete contact information including name, return address, email address, and daytime telephone number of the nominee and nominator. GSA will consider nominations of all qualified individuals to ensure that the Committee includes the areas of green building subject matter expertise needed. GSA reserves the right to choose Committee members based on qualifications, experience, Committee balance, statutory requirements and all other factors deemed critical to the success of the Committee. Candidates may be asked to provide detailed financial information to permit evaluation of potential conflicts of interest that could impede their work on the Committee, in accordance with the requirements of FACA. All nominations must be submitted in sufficient time to be received by 5 p.m., Eastern Daylight Time (EDT), on Monday, August 1, 2016, and be addressed to ken.sandler@gsa.gov.
