Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Notice of Implementation of Determination Under Section 129 of the Uruguay Round Agreements Act and Partial Revocation of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 18, 2016, the Department of Commerce (“Department”) issued its final determination under a section 129 proceeding regarding the fourth administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam (“Vietnam”) with respect to the Minh Phu Group. On July 18, 2016, the U.S. Trade Representative (“USTR”) instructed the Department to implement the 129 Final Determination. As a result, the Department is now implementing its determination.

DATES: Effective July 18, 2016.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Nature of the Proceeding

Section 129 of the Uruguay Rounds Agreement Act (“URAA”) ¹ allows the Department to amend, rescind, or modify a determination found by a WTO dispute settlement panel or the Appellate Body to be inconsistent with U.S. obligations under the Antidumping Agreement. Specifically, section 129(b)(2) provides that, “notwithstanding any provision of the Tariff Act of 1930 . . .,” within 180 days after receipt of a written request from the U.S. Trade Representative, the Department shall issue a determination that would render its actions not inconsistent with an adverse finding of a WTO panel or the Appellate Body.² The Statement of Administrative Action, URAA, H. Doc. 316, Vol. 1, 103d Cong. (1994) (“SAA”), refers variously to such a determination by the Department as a “new,” “second,” and “different” determination.³ After consulting with the Department and the appropriate congressional committees, the USTR may direct the Department to implement, in whole or in part, the new determinations made under section 129 of the URAA.⁴ Pursuant to section 129(c) of the URAA, the new determinations shall apply with respect to unliquidated entries of the subject merchandise that are entered, or withdrawn from warehouse, for consumption on or after the date on which the USTR directs the Department to implement the new determinations.⁵ This determination may be subject to judicial review separate and apart from judicial review of the Department’s original determination.⁶

Background

At the written request of USTR, the Department informed interested parties

on May 20, 2016, that it was initiating a proceeding under section 129 of the URAA to implement certain findings of the WTO dispute settlement panel in *United States—Anti-Dumping Measures on Certain Frozen Warmwater Shrimp from VietNam* (WTO/DS429) (“*Panel Report*”).⁷ On May 20, 2016, the Department issued its preliminary determination in this proceeding⁸ in which the Department recalculated the weighted-average dumping margin for the Minh Phu Group⁹ from the *AR4 Amended Final*¹⁰ by eliminating the denial of offsets for non-dumped sales.

On July 6, 2016, the Department solicited comments from interested

⁹ For purposes of this proceeding, the “Minh Phu Group” includes the following companies: (1) Minh Phu Seafood Export Import Corporation (and affiliates Minh Qui Seafood Co., Ltd. and Minh Phat Seafood Co., Ltd.), (2) Minh Phu Seafood Corp., (3) Minh Phu Seafood Corporation, (4) Minh Phu Seafood Pte, (5) Minh Qui Seafood, (6) Minh Qui Seafood Co., Ltd., (7) Minh Qui, (8) Minh Phat Seafood Co., Ltd., (9) Minh Phat, (10) Minh Phat Seafood, (11) Minh Phat Seafood Corp., (12) Minh Phu Hau Giang Seafood Joint Stock Company, (13) Minh Phu Hau Giang Seafood Co., Ltd., (14) Minh Phu Hau Giang Seafood Corp., and (15) Minh Phu Hau Giang Seafood Processing Co., Ltd. parties regarding the Preliminary 129 Determination, and also released the draft revocation instructions with a proposed importer and exporter certification requirement.¹¹ On July 13, 2016, the Minh Phu Group filed comments regarding the trade names listed for revocation in the Prelim Comment Memo at Attachment I.¹² Consequently, the Department issued the 129 Final Determination on July 18, 2016.¹³

On July 18, 2016, the USTR notified the Department that, consistent with section 129(b)(3) of the URAA, consultations with the Department and the appropriate congressional committees with respect to the 129 Final Determination have been

completed. As a result, in accordance with section 129(b)(4) of the URAA, USTR directed the Department to implement this determination.¹⁴

Implementation of the 129 Final Determination

Pursuant to the USTR Implementation Letter, the 129 Final Determination is hereby implemented and adopted by this notice. A list of the issues discussed in the 129 Final Determination are attached as an Appendix to this notice. The 129 Final Determination is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS"). Access to ACCESS is available to registered users at <http://>

access.trade.gov, and is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. A complete version of the memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/download/section129/full-129-index.html>. The signed 129 Final Determination and the respective electronic version of the memorandum are identical in content.

Final Weighted-Average Dumping Margin

As a result of the above, the *AR4 Amended Final* recalculated weighted-average dumping margin for the Minh Phu Group, unchanged from the Preliminary 129 Determination, is:

Producer and exporter	Section 129 results
Minh Phu Seafood Export Import Corporation (and affiliates Minh Qui Seafood Co., Ltd. and Minh Phat Seafood Co., Ltd.), aka Minh Phu Seafood Corp., aka Minh Phu Seafood Corporation, aka Minh Phu Seafood Pte, aka Minh Qui Seafood, aka Minh Qui Seafood Co., Ltd., aka Minh Qui, aka Minh Phat Seafood Co., Ltd., aka Minh Phat, aka Minh Phat Seafood, aka Minh Phat Seafood Corp., aka Minh Phu Hau Giang Seafood Joint Stock Company, aka Minh Phu Hau Giang Seafood Co., Ltd., aka Minh Phu Hau Giang Seafood Corp., aka Minh Phu Hau Giang Seafood Processing Co., Ltd	0.00%

Partial Revocation of the Antidumping Duty Order

Because the Department has recalculated a weighted-average dumping margin of zero percent for the Minh Phu Group, which results in three consecutive years of no dumping, and the Minh Phu Group has certified¹⁵ that it will not sell certain frozen warmwater

shrimp in the future at less than fair value, the Department is revoking the *AD Order* with respect to the Minh Phu Group, for entries made on or after July 18, 2016. The Department's practice with respect to revocation of companies from an antidumping duty order is to exclude companies in specific producer-exporter combinations.¹⁶ Accordingly, the Department will instruct U.S.

Customs and Border Protection ("CBP") to liquidate, without regard to antidumping duties, entries of certain frozen warmwater shrimp, produced and exported by the Minh Phu Group¹⁷ which were entered, or withdrawn from warehouse, for consumption on or after July 18, 2016. Furthermore, the Department will instruct CBP to discontinue the suspension of

(except merchandise produced and exported by Zhanjiang Guolian because this company has a *de minimis* margin)" (emphasis added). liquidation and the collection of cash deposits for estimated antidumping duties for entries of certain frozen warmwater shrimp produced and exported by the Minh Phu Group. The Department will instruct CBP to continue to collect cash deposits for estimated antidumping duties from other Vietnamese exporters as the *AD Order*, in whole, has not been revoked. Furthermore, the Department will require the Minh Phu Group and its importers to participate in a certification requirement for those entries which are no longer subject to the *AD Order*, as discussed in the 129 Final Determination.¹⁸

This final determination is issued and published in accordance with section 129(c)(2)(A) of the URAA.

Dated: July 18, 2016.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Partial Rescission of Antidumping Duty Administrative Reviews (2014–2015; 2015–2016) and Compromise of Outstanding Claims

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“Department”) is rescinding, in part, the antidumping duty administrative reviews for the antidumping duty order (“the Order”) on certain frozen warmwater shrimp from the Socialist Republic of Vietnam (“Vietnam”) for the periods February 1, 2014, through January 31, 2015, and February 1, 2015, through January 31, 2016 with respect to sales made by the Minh Phu Group. Further, the Department is

compromising its claims for certain antidumping duties for entries of subject merchandise exported by the Minh Phu Group for the period February 1, 2014, through July 17, 2016.

DATES: Effective July 18, 2016.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Rescission of Reviews

Tenth Administrative Review (2014–2015)

On February 27, 2015, Vietnamese Association of Shrimp Exporters and Producers (“VASEP”), Ad Hoc Shrimp Trade Action Committee (“AHSTAC”), and American Shrimp Processors Association (“ASPA”) each requested a review of the Order for the period February 1, 2014, through January 31, 2015, with respect to sales made by the Minh Phu Group.¹

On April 3, 2015, the Department published in the **Federal Register** a notice of initiation of the tenth administrative review of the Order, covering the period February 1, 2014, through January 31, 2015.² On July 6, 2016, VASEP, AHSTAC, and ASPA withdrew their requests for review with respect to the Minh Phu Group and requested that the Department exercise its authority to extend the 90-day deadline to withdraw the requests for review and rescind the administrative review, in part, under extraordinary circumstances. In particular, the parties explained their understanding that extraordinary circumstances exist because the withdrawals of review requests for the Minh Phu Group will assist the government of the United

States and government of Vietnam in reaching a mutually satisfactory resolution with respect to *United States—Anti-dumping Measures of Certain Shrimp from Viet Nam* (DS429) and *United States Anti-dumping Measures of Certain Shrimp from Viet Nam* (DS404). The parties further explained their understanding that a mutually satisfactory resolution of these disputes was not effectuated within the 90-day deadline, and, but for this mutually satisfactory resolution, the parties would not be withdrawing their request for review of the Minh Phu Group.

Section 351.213(d)(1) of the Department’s regulations states that the Department will rescind an administrative review if a party requesting the review withdraws the request within 90 days of the publication of the notice of initiation. Further, 19 CFR 351.213(d)(1) allows the Department to extend the 90-day deadline if it considers it reasonable to do so. In the *AR10 Initiation Notice*, the Department stated that a party requesting an extension of the deadline must demonstrate that an “extraordinary circumstance” prevented it from submitting a timely withdrawal request, and that a determination to extend the deadline would be made on a case-by-case basis.³ Although the parties’ withdrawals of review request for the tenth administrative review are past the 90-day deadline, the Department determines that the parties have demonstrated that extraordinary circumstances exist for this segment of the proceeding, and thus, find it reasonable to extend the deadline pursuant to 19 CFR 351.213(d)(1). Therefore, because all parties that requested a review of the Minh Phu Group have withdrawn their requests, the Department is rescinding the review with respect to the Minh Phu Group for the period February 1, 2014, through January 31, 2015.

Eleventh Administrative Review (2015–2016)

On February 29, 2016, VASEP, AHSTAC, and ASPA each requested a review of the Order for the period February 1, 2015, through January 31, 2016, with respect to sales made by the Minh Phu Group.⁴
