SUPPLEMENTARY INFORMATION: Under the PRA, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the Commission is publishing notice of the existing collections of information listed below.

Title: Core Principles and Other Requirements for Swap Execution Facilities (OMB Control No. 3038–0074). This is a request for extension of currently approved information collections.

Abstract: Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) added new section 5h to the Commodity Exchange Act (CEA) to impose requirements concerning the registration and operation of SEFs, which the Commission has incorporated in part 37 of its regulations.¹ These information collections are needed for the Commission to ensure that SEFs (and entities applying for SEF registration) comply with these requirements. However, any information collections related to § 37.10 of the Commission's regulations are subject to a separate information collection with OMB control number 3038–0099 (Process for a Swap Execution Facility or Designated Contract Market to Make a Swap Available to Trade).

² These 15 core principles include: Enforcing rules; listing contracts for trading that are not readily susceptible to manipulation; monitoring trading to prevent market manipulation; obtaining information; adopting position limits or position accountability levels; adopting rules to enforce financial integrity of swaps transactions entered on or through the SEF; adopting rules to provide for the exercise of emergency authority, in consultation with the Commission; making public information
