DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology (NIST).

Title: Baldrige Performance Excellence Program (BPEP) Team Leader Consensus and Team Leader Site Visit Information Collections.

OMB Control Number: #0693-XXXX. This is a new collection.

Form Number(s): None.

Type of Request: Regular submission. *Number of Respondents:* 480.

Average Hours per Response: 10 minutes.

Burden Hours: 80 Hours (480 X 10 minutes per response = 80 Hours).

Needs and Uses: The Baldrige Performance Excellence Program (BPEP) staff members need to survey the Baldrige Examiners to understand what roles they are willing and able to take on, what travel assignments they can handle, and what input they have on the skills of other examiners and improvements to the processes in which they participate. This evaluative data is the way the program decides which examiner should be elevated to team leadership responsibility and which skills need to be taught at examiner training in the next year.

The purpose of the information is to help staff collect data on the skills of the examiners, including alumni examiners, in order to best manage training and selection. Because the examiner selection process is so competitive, examiners need to demonstrate competencies such as understanding the Baldrige Criteria, team skills, and writing skills. The program also needs to collect peer-based information to understand an examiner's skill level in order to make decisions on whether the examiner should be elevated to "senior examiner" and therefore team leader. The blinded data will be shared with the team leader for improvement purposes, and for future assignments.

Affected Public: Individual or Households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.

Dated: July 26, 2016.

Glenna Mickelson,

Management Analyst, Office of the Chief Information Officer.

Foreign-Trade Zones Board

[B-48-2016]

Foreign-Trade Zone (FTZ) 38—Spartanburg, South Carolina; Notification of Proposed Production Activity; Benteler Automotive Corporation (Automotive Suspension and Body Components); Duncan, South Carolina

The South Carolina State Ports Authority, grantee of FTZ 38, submitted a notification of proposed production activity to the FTZ Board on behalf of Benteler Automotive Corporation (Benteler), located in Duncan, South Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 28, 2016.

Benteler already has authority to produce automotive suspension and body components within Subzone 38F. The current request would add one finished product to the existing scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Benteler from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, Benteler would be able to choose the duty rates during customs entry procedures that apply to instrument panel supports (duty rate 2.5%) for the foreign-status materials/components in

the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 7, 2016.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.
