

ministerial error.⁶ To correct the error, we are issuing this amended final CVD determination, which revises the *ad valorem* subsidy rates for MMZ and “All-Others.” The amended *ad valorem* subsidy rate for MMZ is 9.87 percent. We are using this rate to derive an amended *ad valorem* subsidy rate of 12.58 percent for “All-Others.”⁷

Countervailing Duty Order

In accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC notified the Department of its final determination that the industry in the United States producing HWR pipes and tubes is materially injured by reason of subsidized imports of HWR pipes and tubes from Turkey. Therefore, in accordance with section 705(c)(2) of the Act, we are publishing this countervailing duty order.

As a result of the ITC’s final determination, in accordance with section 706(a) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by the Department, countervailing duties on unliquidated entries of HWR pipes and tubes from Turkey entered, or withdrawn from warehouse, for consumption on or after December 28, 2015, the date on which the Department published its preliminary countervailing duty determination in the **Federal Register**,⁸ and before April 26, 2016, the effective date on which the Department instructed CBP to discontinue the suspension of liquidation in accordance with section 703(d) of the Act. Section 703(d) of the Act states that the suspension of liquidation pursuant to a preliminary determination may not remain in effect for more than four months. Therefore, entries of HWR pipes and tubes from Turkey made on or after April 26, 2016, and prior to the date of publication of the ITC’s final determination in the **Federal Register** are not liable for the assessment of

countervailing duties due to the Department’s discontinuation, effective April 26, 2016, of the suspension of liquidation.

Suspension of Liquidation

In accordance with section 706 of the Act, the Department will direct CBP to reinstitute the suspension of liquidation of HWR pipes and tubes from Turkey, effective the date of publication of the ITC’s notice of final determinations in the **Federal Register**, and to assess, upon further instruction by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. On or after the date of publication of the ITC’s final injury determinations in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below:

Exporter/producer	Subsidy rate (percent)
MMZ Onur Boru Profil Uretim San Ve Tic. A.S.	9.87
Ozdemir Boru Profil San ve Tic. Ltd Sti	15.08
All-Others	12.58

Notifications to Interested Parties

This notice constitutes the countervailing duty order with respect to HWR pipes and tubes from Turkey pursuant to section 706(a) of the Act. Interested parties may contact the Department’s Central Records Unit, Room B8024 of the main Commerce Building, for copies of an updated list of countervailing duty orders currently in effect.

This order is issued and published in accordance with section 706(a) of the Act and 19 CFR 351.211(b).

Dated: September 7, 2016.
