However, respondents may request materials or information submitted to the Commission or to the Administrator be withheld from public inspection under 47 C.F.R. 0.459 of the FCC's rules.

Needs and Uses: The Commission seeks to revise OMB 3060-0853 to conform the FCC Forms 479, 486 and 500 to changes implemented in the *Order and FNPRM (E-rate Modernization Order)* (WC Docket No. 13-184, FCC 14-99; 79 FR 49160, August 19, 2014). The FCC Form 486 transitioned to an online platform for applicants that seek universal service support for funding year 2016 and later. Applicants needing to file FCC Form 486 for a funding year earlier than funding year 2016 will need to use a different version of the FCC Form 486 which will be available on the Universal Service Administrative Company's (USAC's) Web site. The FCC Form 500 will also be transitioned to an online platform. The Commission will submit this information collection to OMB during this comment period to obtain the full three-year clearance from them. Schools and libraries receiving these services must certify, by completing FCC Form 486 (Receipt of Service Confirmation and Certification of Compliance with the

Children's Internet Protection Act), that respondents are enforcing a policy of Internet safety and enforcing the operation of a technology prevention measure. Also, respondents who received a Funding Commitment Decision Letter indicating services eligible for universal service funding must file FCC Form 486 to indicate their service start date and to start the payment process. In addition, all members of a consortium must submit signed certifications to the Billed Entity of their consortium using FCC Form 479; Certification by Administrative Authority to Billed Entity of Compliance with Children's Internet Protection Act, in language consistent with the certifications adopted for the FCC Form 486. Consortia must, in turn, certify collection of the FCC Forms 479 on the FCC Form 486. FCC Form 500 is used by E-rate participants to make adjustments to previously filed forms, such as changing the contract expiration date filed with the FCC Form 471, changing the funding year service start date filed with the FCC Form 486, cancelling or reducing the amount of funding commitments, requesting extensions of the deadline for non-recurring services, and notifying USAC of equipment transfers. All of the requirements contained herein are necessary to implement the congressional mandate for universal service.
