The PABSS projects are part of Social Security's strategy to increase the number of Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI) recipients who return to work and achieve financial independence and self-sufficiency as the result of receiving support, representation, advocacy, or other

PABSS provides information and advice about obtaining vocational rehabilitation and employment services, and providing advocacy or other services a beneficiary with a disability may need to secure, maintain, or regain gainful employment. The PABSS Annual Program Performance Report collects statistical information from each of the PABSS projects in an effort to manage and capture program performance and quantitative data.
