

Each category has two voting members; in the case of management category, the two voting members will change depending upon which two DoD Components, as determined by the Chair, have the largest number of wage employees in the wage areas under consideration. Those individuals representing the labor organizations are selected by the labor organizations to provide the committee with the points of view of nongovernment entities or a recognizable group of persons that have interests in the subject matter under consideration by the Committee. Whereas, those individuals, to include the Chair, who represent the DoD Components, and are RGE members are appointed by the Secretary of Defense to exercise their own individual best judgement on behalf of the government. Except for reimbursement of official Committee-related travel and per diem, Committee members serve without compensation.

The public or interested organizations may submit written statements to the Committee membership about the

Committee's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Committee. All written statements shall be submitted to the DFO for the Committee, and this individual will ensure that the written statements are provided to the membership for their consideration.

**POLICY JUSTIFICATION****(U) United Arab Emirates (UAE)—  
Exercise Participation Support**

(U) The Government of the UAE requested a possible sale to include participation in military exercises, aerial refueling, airlift and ferry support, training aids/devices/munitions, technical and logistics support services, and other related elements of logistical and program support. The estimated cost is \$75 million.

(U) This proposed sale contributes to the foreign policy and national security of the United States by helping to improve the security of a major regional ally which has been, and continues to be, an important force for political stability and economic progress in the Middle East.

(U) This proposed sale contributes to the foreign policy and national security of the United States by helping to improve the ability of the UAE to employ its fighter aircraft in a multi-country coalition environment, such as Red Flag and Green Flag exercises. Participating in major exercises has enhanced the UAE's continued and

consistent role in support of Coalition Operations. The UAE is a steadfast coalition partner in the fight against radical Islamic forces such as ISIL and Al Qaeda (AQAP) in the Arabian Peninsula.

(U) The proposed sale of this equipment and support does not alter the basic military balance in the region.

(U) Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the UAE.

(U) There will be no adverse impact on U.S. defense readiness as a result of this proposed sale. All defense articles and services are approved for release by our foreign disclosure office.
