

those of the Compensation Committee of its parent company, CBOE Holdings.⁷

III. Discussion and Commission Findings

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of Section 6 of the Act,⁸ and the rules and regulations thereunder applicable to a national securities exchange.⁹ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(1) of the Act,¹⁰ which requires a national securities exchange to be so organized and have the capacity to carry out the purposes of the Act and to comply, and to enforce compliance by its members and persons associated with its members, with the provisions of the Act. The Commission also finds that the proposed rule change is consistent with Section 6(b)(3) of the Act,¹¹ which requires that the rules of a national securities exchange assure a fair representation of its members in the selection of its directors and administration of its affairs and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the exchange, broker, or dealer. The Commission further finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,¹² which requires, among other things, that a national securities exchange have rules designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

In particular, the Commission notes that the proposal to require at least five directors for the Board, rather than a required range of not less than 12 and not more than 16, is comparable to the board size requirements stipulated in the bylaws of at least one other exchange, which was approved by the

Commission.¹³ Importantly, the Exchange represents that it is not proposing to amend any of the compositional requirements of the Board, including its provision relating to the fair representation of members, which are set forth in Section 3.2 of the Bylaws.¹⁴ The Commission notes that the Exchange represents that, while the proposal provides the Board with greater flexibility to determine the size of the Board without amending the Bylaws, it will continue to allow the Exchange to ensure that the Board is of adequate size and includes directors with relevant and diverse experience.¹⁵ The Exchange also notes that it has no current plans to change the size of its Board outside of the original range of 12–16 directors.¹⁶

With regard to the proposal to eliminate the C2 Compensation Committee, the Commission notes that this change is comparable to the governing structures of other exchanges, which the Commission has previously approved.¹⁷ As more fully set forth in the Notice, the Exchange explains that the C2 Compensation Committee's responsibilities largely are duplicative of those of the corresponding Compensation Committee of CBOE Holdings, other than to the extent that the C2 Compensation Committee recommends the compensation of executive officers whose compensation is not already determined by the CBOE Holdings Compensation Committee.¹⁸ Accordingly, under the proposed rule change, such functions now will be performed by the CBOE Holdings Compensation Committee or as otherwise provided in the Bylaws.¹⁹ The Commission notes that the Exchange represents that currently, each of the executive officers whose compensation would need to be determined by the Compensation Committee are officers of both C2 and CBOE Holdings, but should compensation need to be determined in the future for any C2 officer who is not also a CBOE Holdings officer, the C2 Board or C2 senior management will perform such action without the use of a compensation committee, as provided

for in Section 5.11 of the Bylaws.²⁰ Further, the Commission notes that the C2 Regulatory Oversight and Compliance Committee ("ROCC") of the Board will continue to recommend to the Board the compensation for the Chief Regulatory Officer and any Deputy Chief Regulatory Officers, and this process is not be affected by this proposed rule change.

For the reasons noted above, the Commission finds that the proposed rule change is consistent with the Act.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²¹ that the proposed rule change (SR-C2-2017-009) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²²

Eduardo A. Aleman,
Assistant Secretary.
