

### III. Electronic Submissions (E-Filing)

All documents filed in NRC adjudicatory proceedings, including a request for hearing and petition for leave to intervene (petition), any motion or other document filed in the proceeding prior to the submission of a request for hearing or petition to intervene, and documents filed by interested governmental entities that request to participate under 10 CFR 2.315(c), must be filed in accordance with the NRC's E-Filing rule (72 FR 49139; August 28, 2007, as amended at 77 FR 46562, August 3, 2012). The E-Filing process requires participants to submit and serve all adjudicatory documents over the internet, or in some cases to mail copies on electronic storage media. Detailed guidance on making electronic submissions may be found in the Guidance for Electronic Submissions to the NRC and on the NRC Web site at <http://www.nrc.gov/site-help/e-submittals.html>. Participants may not submit paper copies of their filings unless they seek an exemption in accordance with the procedures described below.

To comply with the procedural requirements of E-Filing, at least 10 days prior to the filing deadline, the participant should contact the Office of the Secretary by email at [hearing.docket@nrc.gov](mailto:hearing.docket@nrc.gov), or by telephone at 301-415-1677, to (1) request a digital identification (ID) certificate, which allows the participant (or its counsel or representative) to digitally sign submissions and access the E-Filing system for any proceeding in which it is participating; and (2) advise the Secretary that the participant will be submitting a petition or other adjudicatory document (even in instances in which the participant, or its counsel or representative, already holds an NRC-issued digital ID certificate). Based upon this information, the Secretary will establish an electronic docket for the hearing in this proceeding if the Secretary has not already established an electronic docket.

Information about applying for a digital ID certificate is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals/getting-started.html>. Once a participant has obtained a digital ID certificate and a docket has been created, the participant can then submit adjudicatory documents. Submissions must be in Portable Document Format (PDF). Additional guidance on PDF submissions is available on the NRC's public Web site at <http://www.nrc.gov/site-help/electronic-sub-ref-mat.html>. A filing is considered complete at the time

the document is submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an email notice confirming receipt of the document. The E-Filing system also distributes an email notice that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed so that they can obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>, by email to [MSHD.Resource@nrc.gov](mailto:MSHD.Resource@nrc.gov), or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff. Participants filing adjudicatory documents in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having

granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket which is available to the public at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the Commission or the presiding officer. If you do not have an NRC-issued digital ID certificate as described above, click cancel when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or personal phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. For example, in some instances, individuals provide home addresses in order to demonstrate proximity to a facility or site. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

Dated at Rockville, Maryland, this 24th day of April, 2017.

**OFFICE OF PERSONNEL  
MANAGEMENT****Submission for OMB Emergency  
Review and 60-Day Notice for  
Comment for Existing Information  
Collection Requests**

**AGENCY:** Office of Personnel  
Management (OPM).

**ACTION:** Notice.

**SUMMARY:** The Office of Personnel  
Management (OPM) has submitted to  
the Office of Management and Budget  
(OMB) a request for emergency  
clearance and review for existing  
information collection requests for the  
following OPM surveys: Customer  
Satisfaction Survey; Organizational  
Assessment Survey, Federal Employee  
Viewpoint Survey, Exit Survey, and  
New Leaders Onboarding Assessment;  
and the OPM Leadership 360™. Approval  
of these surveys is necessary to collect  
information on Federal agency  
performance, climate, engagement, and  
leadership effectiveness. This also  
serves as the 60-Day Notice for review  
for full clearance.

**DATES:** Comments will be accepted until  
July 5, 2017.

**ADDRESSES:** Send or deliver comments  
to: Andrea Zappone, HR Strategy and  
Evaluation Solutions, U.S. Office of  
Personnel Management, 1900 E Street  
NW., Washington, DC 20415.

*For Information Regarding  
Administrative Coordination Contact:*  
Charles Cutshall, Office of Management  
and Budget, Office of Information and  
Regulatory Affairs, New Executive  
Office Building NW., Room 10235,  
Washington, DC 20503.

**SUPPLEMENTARY INFORMATION:**  
Emergency clearance is requested given  
the current forms (Customer Satisfaction  
Survey (OMB No. 3206-0236);  
Organizational Assessment Survey,

Federal Employee Viewpoint Survey,  
Exit Survey, and New Leaders  
Onboarding Assessment (OMB No.  
3206-0252); and the OPM Leadership  
360™ (3206-0253)) expire July 31, 2017  
and continuation of operations is  
necessary. We respectfully request OMB  
take action within 5 calendar days from  
the close of this **Federal Register** Notice  
on the request for emergency review.  
During the six-month extension,  
approximately 30,000 non-Federal  
respondents will complete the Customer  
Satisfaction Survey, 23,000 will  
complete one of the organizational  
assessments, and 2,000 will complete  
the OPM Leadership 360™. We  
estimate it will take 7 minutes on  
average to complete a Customer  
Satisfaction Survey; 13 minutes to  
complete one of the organizational  
assessments; and 15 minutes to  
complete an OPM Leadership 360™.  
Electronic submissions are processed  
through secure government Web sites  
maintained by OPM. The total estimated  
burden is 8,983 hours (3,500 for the  
Customer Satisfaction Survey; 4,983 for  
the organizational assessments; and 500  
for the OPM Leadership 360™).

*Comments are particularly invited on:*

- whether this information is  
necessary and will have practical utility  
for the proper performance of functions  
of the Office of Personnel Management  
and its client agencies on whose behalf  
the Office Personnel Management  
administers the surveys;
- whether our estimate of the public  
burden of these collections of  
information is accurate, and based on  
valid assumptions and methodology; and

- ways in which we can minimize the  
burden of these collections of  
information on those who are to  
respond, through the use of appropriate  
technological collection techniques or  
other forms of information technology.
