[Docket No. FMCSA-2012-0032]

Commercial Driver's License Standards: Application for Renewal of Exemption; Daimler Trucks North America (Daimler)

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for renewal of exemption; request for comments.

SUMMARY: FMCSA announces that Daimler Trucks North America (Daimler) has requested the renewal of an exemption from the requirement for a commercial driver's license (CDL) for one of its commercial motor vehicle (CMV) drivers, Sven Ennerst, who holds a German commercial license. The

renewal would allow Mr. Ennerst to continue to test-drive Daimler vehicles on U.S. roads to better understand product requirements for these systems in "real world" environments, and verify results. Daimler believes that German regulations ensure that holders of a German commercial license will likely achieve a level of safety equal to or greater than that of drivers who hold a U.S. CDL.
