SUPPLEMENTARY INFORMATION:**I. Background**

Section 7(e)(3)(b) of the Fair Labor Standards Act permits the exclusion from an employee's regular rate of pay, payments on behalf of an employee to a "bona fide" thrift or savings plan, profit-sharing plan or trust. Regulations, 29 CFR parts 547 and 549 set forth the requirements for what constitutes a "bona fide" thrift or savings plan, profit-sharing plan or trust. The maintenance of the records required by the regulations enables Department of Labor investigators to determine whether contributions to a given thrift or savings plan, profit-sharing plan or trust may be excluded in calculating the regular rate of pay for overtime purposes in compliance with section 7(e)(3)(b) of the FLSA. Without these records, such a determination could not be made. This information collection is currently approved for use through February 2018.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
