

7.3 Reporting on the Home Mortgage Disclosure Act

The CFPB's annual HMDA reporting requirement calls for the CFPB, in consultation with the Department of Housing and Urban Development (HUD), to report annually on the utility of HMDA's requirement that covered lenders itemize loan data in order to disclose the number and dollar amount of certain mortgage loans and applications, grouped according to various characteristics.⁹⁵ The CFPB, in consultation with HUD, finds that itemization and tabulation of these data further the purposes of HMDA. For

more information on the Bureau's proposed amendments to HMDA's implementing regulation, Regulation C, please see the Rulemaking section of this report (Section 4).

8. Conclusion

In this, our fifth Fair Lending Report to Congress, we outline our work in furtherance of our statutory mandate to ensure fair, equitable, and nondiscriminatory access to credit. Our work continues to reflect the areas that pose the greatest risk of consumer harm, and we continue to reprioritize our approach to better position our work to

understand and address emerging issues. Our multipronged approach uses the full variety of tools at our disposal—supervision, enforcement, rulemaking, outreach, research, data-driven prioritization, interagency coordination, and more. We are pleased to present this report as we continue to fulfill our statutory mandate as well as the Bureau's mission to help consumer finance markets work by making rules more effective, by consistently and fairly enforcing these rules, and by empowering consumers to take more control over their economic lives.
