Issuance of Presidential Permit to the Otay Water District To Construct, Connect, Operate, and Maintain Cross-Border Water Pipeline Facilities for the Importation of Desalinated Seawater at the International Boundary Between the United States and Mexico in San Diego County, California

SUMMARY: The Department of State issued a Presidential permit to the Otay Water District (the District) on May 16, 2017, authorizing the District to construct, connect, operate, and maintain cross-border water pipeline facilities for the importation of desalinated seawater at the international boundary between the United States and Mexico in San Diego County, California. In making this determination, the Department provided public notice of the proposed permit, offered the opportunity for comment, and consulted with other federal agencies, as required by Executive Order 11423, as amended.

FOR FURTHER INFORMATION CONTACT: Contact the Office of Mexican Affairs' Border Affairs Unit via email at WHABorderAffairs@state.gov, by phone at 202–647–9894, or by mail at Office of Mexican Affairs—Room 3924, Department of State, 2201 C St. NW., Washington, DC 20520. Information about Presidential permits is available on the Internet at <http://www.state.gov/p/wha/rt/permit/>.

SUPPLEMENTARY INFORMATION: The following is the text of the issued permit:

Presidential Permit

Authorizing the Otay Water District To Construct, Connect, Operate, and Maintain Cross-Border Water Pipeline Facilities for the Importation of Desalinated Seawater at the International Boundary Between the United States and Mexico in San Diego County, California

By virtue of the authority vested in me as the Acting Assistant Secretary of State for the Bureau of Oceans and International Environmental and Scientific Affairs including those authorities under Executive Order 11423, 33 FR 11741 (1968); as amended by Executive Order 12847 of May 17, 1993, 58 FR 29511 (1993), and Executive Order 13337 of April 30, 2004, 69 FR 25299 (2004); and Department of State Delegation of Authority 118–2 of January 26, 2006 and Delegation 415 of January 18, 2017; having considered the environmental effects of the proposed action consistent with the National Environmental Policy Act of 1969, as amended (83 Stat. 852, 42 U.S.C. 4321 *et seq.*), and other statutes relating to environmental concerns; having considered the proposed action consistent with the National Historic Preservation Act of 1966, as amended (80 Stat. 917, 16 U.S.C. 470f *et seq.*); and having requested and received the views of various federal departments, state and local officials, and Indian tribes, and other interested persons; I hereby grant permission, subject to the conditions herein set forth, to the Otay Water District (hereinafter referred to as “permittee”) to construct, connect, operate, and maintain cross-border water pipeline facilities for the importation of desalinated seawater at the international boundary between the United States and Mexico in San Diego County, California.

The term “facilities” as used in this permit means the relevant portion of the pipeline and any land, structures, installations, or equipment appurtenant thereto as described in the permittee’s November 2013 application for a Presidential permit (the “Application”).

The term “U.S. facilities” as used in this permit means those parts of the facilities in the United States, as described in the Application.

This permit is subject to the following conditions:

Article 1. (1) The U.S. facilities herein described, and all aspects of their operation, shall be subject to all the conditions, provisions, and requirements of this permit and any amendment thereof. This permit may be terminated at the will of the Secretary

of State or the Secretary’s delegate or may be amended by the Secretary of State or the Secretary’s delegate at will or upon proper application therefore. The permittee shall make no substantial change in the location of the U.S. facilities or in the operation authorized by this permit until such changes have been approved by the Secretary of State or the Secretary’s delegate.

(2) The construction, connection, operation, and maintenance of the facilities shall be in all material respects as described in the Application.

Article 2. The standards for, and the manner of, the construction, connection, operation, and maintenance of the U.S. facilities shall be subject to inspection and approval by the representatives of appropriate federal, state, and local agencies. The permittee shall allow duly authorized officers and employees of such agencies free and unrestricted access to said facilities in the performance of their official duties.

Article 3. The permittee shall comply with all applicable federal, state, and local laws and regulations regarding the connection, construction, operation, and maintenance of the U.S. facilities and with all applicable industrial codes. The permittee shall obtain all requisite permits from the relevant Mexican authorities as well as from the relevant state and local government entities and relevant federal agencies.

Article 4. All construction, connection, operation, and maintenance of the U.S. facilities under this permit shall be subject to the limitations, terms, and conditions issued by any competent agency of the U.S. Government, including but not limited to the Department of Homeland Security (DHS) and the U.S. Section of the International Boundary and Water Commission (USIBWC). The permittee shall continue the operations hereby authorized and conduct maintenance in accordance with such limitations, terms, and conditions. Such limitations, terms, and conditions could address, for example, environmental protection and mitigation measures, safety requirements, export or import and customs regulations, measurement capabilities and procedures, requirements pertaining to the pipeline’s capacity, and other pipeline regulations. This permit shall continue in force and effect only so long as the permittee shall continue the operations hereby authorized by any competent U.S. government agency in exact accordance with such limitations, terms, and conditions.

Article 5. Upon the termination, revocation, or surrender of this permit, and unless otherwise agreed by the
